## CELEBRATING 60 YEARS OF SUCCESS

Stephanie Turner, CTC  
President, Brentwood Travel

It's hard to believe 60 years have passed since Brentwood Travel was formed. Back then we were the eighth agency to open in the St. Louis area, and now we are the oldest.

I feel so lucky to have grown up in this business. Travel is truly one of my passions. I believe it gives us a greater understanding of our world, its history and its people. This crazy ever-changing family business – now in its third generation – has been a unique

opportunity for our family. Brentwood Travel, founded in 1957 by my parents, Robert and Ruth Lurie, has given so much to so many. My dad believed in taking care of people, both our clients and our staff, and that remains the foundation of the company today. My mom was a great business woman who took over the reins when my dad became ill and helped it to grow to the next level. Today, I run the company along with my daughter, Stacey Acree, and we are extremely conscientious about continuing the philosophy of our founders. We have a wonderful staff, some of whom have been with us for more than 40 years, who work very hard to make sure our clients have the best travel experiences possible.

Brentwood Travel has received many awards and accolades over six decades, and we are so proud that we are recognized nationally. We are a Top 25 Producer for the Ensemble Travel Group, made up of nearly 1,000 travel agencies throughout North America. We have also received awards for many of our innovative programs and projects. We are

most proud of our Cruise Expo, which just celebrated 27 consecutive years as one of the largest and most successful cruise shows in the country. Brentwood Travel continues to be creative in meeting the ever-changing needs of our clients and the marketplace. All of us sincerely thank everyone, especially our loyal clients,

who helped us reach this milestone in our history.

**THIS CRAZY EVER-CHANGING FAMILY BUSINESS – NOW IN ITS THIRD GENERATION – HAS BEEN A UNIQUE OPPORTUNITY FOR OUR FAMILY.**

# THE SHIPS WHERE ANYTHING IS POSSIBLE

**ROYAL CARIBBEAN INTERNATIONAL** doesn't just build ships, they build incredible! This is especially true of the Oasis Class ships – *Oasis of the Seas*®, *Allure of the Seas*®, *Harmony of the Seas*®, and *Symphony of the Seas*®, debuting in 2018. These ships all feature a unique neighborhood concept: Onboard each ship you'll find seven neighborhoods, each with a different experience. Plus, can you believe there are more than 20 dining options on each ship?

**The Boardwalk** pays homage to the piers of yesteryear, and features shops, attractions, amusements, and even a full-sized, hand-carved carousel. For more dining, shopping and entertainment, head to the two-story open-air **Royal Promenade**.

When it's time to play, the **Pool and Sports Zone** is a blast for the whole family. From Ping-Pong and mini golf, to the more thrilling dual Rock Walls and the twin Flow Riders, there are plenty of challenges for everyone.

**The Youth Zone** is a haven built specifically for kids and teens, and they all love meeting the DreamWorks Animation characters onboard.

Want something more laid back? Take a stroll through **Central Park** and enjoy the first living parks at sea. Or, visit the *Vitality at Sea Spa and Fitness Center* and enjoy the workout equipment, fitness classes and spa services. At night, **Entertainment Place** lights up with live shows, a casino, and more intimate venues.

**Park View** balconies are nestled within the Central Park gardens, and feature exclusive amenities including a complimentary lunch for two at Giovanni's Table or Jamie's Italian, a bottle of red wine waiting upon your arrival, and private casino gaming lessons from an onboard expert.

**The Boardwalk View** balcony accommodations overlook the colorful, fun-filled Boardwalk, and are perfect for families who want to be close to the action! Exclusive complimentary amenities for Boardwalk view guests include a meal of classic hamburgers and more for four at Johnny Rockets, unlimited soft drinks throughout the cruise for

# ITALY – ONE COUNTRY, TWO STUNNING CRUISES

With its rich history, iconic art masterpieces, fine wines and breathtaking landscapes, Italy has so much to offer both inland and on the coast. **REGENT SEVEN SEAS CRUISES** and **UNIWORLD BOUTIQUE RIVER CRUISES** provide two different perspectives to discover Italy – one by ocean and one by river.

## EXCITING ITALIAN OCEAN PORTS

When planning a Regent Mediterranean cruise beginning in Rome, we suggest adding an extra day or two in the Eternal City. So many options await you in Rome: visit St. Peter's Basilica where you can see the Sistine Chapel; climb to the top of the dome for a spectacular view; witness where gladiators and animals fought at the Colosseum; throw a coin into the Trevi Fountain; sit in a café in Trastevere.

When you board Regent's magnificent *Seven Seas Explorer*, you'll be greeted with an enthusiastic welcome from the staff and a refreshing glass of champagne, typical of the extraordinary personal service on Regent.

Your next Italian port allows you to visit Florence, Pisa or Tuscany.

Walk through museums, churches and palaces filled with artwork by Dante, Donatello, Michelangelo, Giotto,

Botticelli, da Vinci and Machiavelli, to name a few. Perhaps you want to take a stroll to the church of San Miniato al Monte for an all-encompassing view of Florence. In Pisa, snap a picture next to the iconic Leaning

Tower of Pisa and walk around the Campo dei Miracoli. Perhaps you'd prefer spending your day in Tuscany while tasting wine in the Tuscan countryside.

In addition to Italy, Regent voyages visit other spectacular Mediterranean coastal ports, including: Monte Carlo, Monaco; Provence, France; Barcelona, Spain; Palma de Mallorca, Spain; Málaga, Spain; and concluding in Lisbon, Portugal.

## FASCINATING ITALIAN RIVER CITIES

Looking to explore Italy beyond its beautiful coastline? A voyage with Uniworld River Cruises sails along the Po River to Northern Italy. Uniworld ships are like luxurious floating hotels, where there's "no request too large, no detail too small." You'll see multiple ports during your voyage, including: Milan, Verona, Venice, Chioggia (Padua), Polesella (Bologna or Ferrara), Taglio di Po, and the Venice Islands – Burano, Mazzorbo and Torcello.

A city tour in Milan will stop at the 600-year-old Gothic Duomo cathedral. Here you'll visit the Santa Maria delle Grazie convent and admire Leonardo da Vinci's magnificent fresco, *The Last Supper*. En route to Venice to board the *River Countess*, you'll visit Verona, home to Shakespeare's *Romeo and Juliet*.

As you wind through Venice you'll see residential locations such as Doge's Palace (the former resident of the supreme authority of the Republic of Venice) and the oldest bridge across the Grand Canal – the famed Rialto Bridge. Witness glassmaking at Arti Veneziane alla Giudecca Glass Factory followed by a private, after-hours lighting ceremony inside St. Mark's Basilica.

When you stop in Padua, you'll have two fantastic excursions to choose from: walk through one of the oldest cities in Northern Italy to see the 13th-century Basilica of St. Anthony, or take a discovery bike tour along the beaches of Chioggia.

Food lovers will truly enjoy visiting

Bologna. Join a pasta-making workshop followed by lunch at a fine restaurant. Art enthusiasts will love Ferrara, a UNESCO Heritage Site, while learning about the rich history of art sponsored by the noble Renaissance family of d'Este.

Taglio di Po, another part of Chioggia, is the perfect place for those who indulge in seafood. Immerse yourself in the fishing village where you can walk through the markets before tasting the local catch for yourself. For a more hands-on experience, sail on a small boat and fish for harvest mussels.

As your cruise returns to Venice, you'll visit the "Magical Islands" – Burano, Mazzorbo and Torcello. Walk past colorful homes in Burano; relish in a wine tasting in Mazzorbo made from Dorona, a saltwater-tolerant grape; and visit Torcello to see Byzantine mosaics at Santa Maria Dell'Assunta. On your last full day, you'll port back in Venice to take a leisurely stroll, or see the "Venetian Painters at the Accademia" on a guided tour.

River cruises and ocean cruises are both wonderful ways to experience Italy. You can surround yourself in Italian history, art, food, wine, landscapes and everything in between, while enjoying the comfort and amenities of your "floating hotel" – without packing and unpacking every day. **Call Brentwood Travel to learn more about REGENT SEVEN SEAS CRUISES and UNIWORLD RIVER CRUISES. # ELEGANT CRUISING THROUGH THE PANAMA CANAL

The Panama Canal is a “miraculous bridge of water,” and the power of having your ship raised over 85 feet is a remarkable experience. The canal was opened in 1914 and engineered for travelers, as well as cargo ships, from all over the world to pass through...and now is your chance to be a part of the journey.

The classic style of **HOLLAND AMERICA LINE** is a perfect way to experience all of the vibrancy, color, and wonder of this trip. As soon as your board the *ms Zuiderdam*, you know you will be embraced as their personal guest.

This roundtrip voyage begins in Ft. Lauderdale, Florida, and includes a shore excursion to Gatun Lake, where you can begin

your tour through the locks of the Panama Canal. Experts will be onboard to present lectures and share stories about the canal.

Sue Koritz, Marketing Director at Brentwood Travel, experienced this 10-day sailing with Holland America and describes it as a trip of a lifetime. Sue recalls that “the scenery is beautiful, the engineering is a marvel, and the skill of the pilots is amazing.”

This cruise also features a visit to Half Moon Cay, a private island in the Bahamas for Holland America guests only. Next is Aruba, where some of the Caribbean’s most beautiful beaches make it a world-class destination for windsurfing and kitesurfing. You’ll be dazzled by the colorful buildings of Curacao, and be romanced by the ruins of Spanish Forts in Colon. Get up-close with the wildlife of Costa Rica on a visit to a turtle nesting ground in Puerto Lima, or fly through the air on an exciting zip line over the jungle.

The mid-size cruising experience of Holland America Line offers easy access to onboard events as well as elegance you can see, feel and taste. If you desire the finest in dining, your table is ready at the Pinnacle Grill. Or discover the wonders of the natural world with their new BBC Earth Experiences.

## HIGH TECH COMES TO CRUISING

Early this year, **PRINCESS CRUISES** introduced Ocean Medallion™ and Ocean Compass™, a new level of personalization that will forever change the way you want to cruise. This first-of-its-kind interactive technology will debut on the *Regal Princess* in November

2017, with other Ocean Medallion Class ships following in early 2018.

### What Do Ocean Medallion & Ocean Compass Mean to You?

Imagine the special service that comes

from the crew knowing your preferences for food and drink, or your specific interests in ports you'll be visiting. That's what Ocean Medallion communicates to the staff so your experience becomes custom-tailored to your every whim. Ocean Medallion also expedites embarkation, since you'll add your guest profile at home before you leave. Your Ocean Medallion can be worn as a pendant, on a wristband, in a clip, or place it in your pocket. It also unlocks your stateroom door hands-free...no more keycard!

Ocean Compass becomes a personal concierge that

you access using interactive displays on touchscreens throughout the ship, on your stateroom TV, or on your own mobile device. Use it to make reservations for the spa, specialty dining and shore excursions, and arrange celebrations. Won't it be nice to conveniently learn the whereabouts of your family on the ship and even communicate with each other through a messaging service?

But, there's more. Place a dining order and have it delivered to wherever you are on the ship, like at Movies Under the Stars, so you don't miss a moment of the fun. Or, you can place a beverage order and have it delivered to where you plan to be at a later time, maybe in the theater during a Broadway show.

Want to do some shopping onboard, but you're having too much fun watching the action in the Piazza or relaxing by the pool? No problem. Ocean Medallion lets you shop from wherever you are. All you need is your mobile device.

There's no question that PRINCESS CRUISES lets you "get more of the vacation you love" by making your experience more convenient and personal than ever before. **Please call Brentwood Travel for answers to all your questions about the revolutionary Medallion Class services.**

# THE FRENCH AND ITALIAN RIVIERAS

The Western Mediterranean has long inspired travelers to journey deep into its rich mix of cultures and unique landscapes. Cruising the dazzling Iberian Sea is an inviting way to discover the many secrets hiding among its waves.

As you explore the stunning island of Palma de Mallorca, be sure to visit the magnificent Bellver Castle, an imposing example of Gothic architecture and a popular destination. Write your own love story as you discover the romantic monastery in Valldemosa, where French novelist George Sand spent a winter with composer Frederick Chopin, inspiring her autobiographical “A Winter in Majorca.”

The magic of Monte Carlo makes you feel like you’re on a movie set with the rich and famous. Stroll through its marvelous shopping area. Visit the magnificent Princes Palace of Monaco to learn more about the Grimaldi royal family. And don't forget the casinos! If you prefer, a

wonderful day trip takes you up to the charming medieval town of Eze. The mildly strenuous walk up uneven stone streets through narrow passages and under low archways reveals a treasure of art, antique and jewelry shops.

Saint-Tropez, located in the French Riviera, is a playground for celebrities and fellow jet-set travelers. We highly recommend a visit to a local winery, which offers the best views of the beaches and magnificent forested ridges of the Massif des Maures.

Portofino is often featured in postcards as the perfect example of an Italian fishing village. The town is clustered around a small harbor and is known for the colorful buildings that line the shore. Only 500 people live in the village, but the inhabitants are well-renowned for their artistry with lace. Consider luncheon at the iconic Hotel Splendido with its breathtaking view of the bay.

For the ultimate Mediterranean experience, let **OCEANIA CRUISES** take you through this romantic destination. Oceania is known for having the **Finest Cuisine at Sea™**, with several fine dining choices, at no extra charge! Their intimate, luxurious ships, country-club casual ambience, exceptional service and port-intensive itineraries make Oceania perfect for the discerning traveler.

## EXPERIENCE THE MAGIC OF AN INSIGHT VACATION

Sometimes you experience an event that is so perfect, it feels like it came together through pure magic. Now imagine that feeling during an entire journey into the heart of Europe. **INSIGHT VACATIONS** creates unforgettable adventures that are dreamlike. Their magic ingredient: meticulous planning.

We feel strongly that travel is all about the experience: seeing new places, learning about different people, and becoming immersed in unfamiliar cultures. You may visit a clock studio in the Swiss Alps and learn the origins of the cuckoo clock. Or you may meet a “musher,” watching as he trains his dogs to compete in Arctic dog sled races. Meeting artisans, scholars, and just plain local folks will provide so many unforgettable experiences during your journey.

A unique feature of Insight Vacations is that they offer different categories of touring to match your own travel style. For exploring unique locations off the beaten track, we recommend their “Country Roads” packages.

In Iceland, experience the “land of extremes” and traverse black basalt-sand beaches that lead you to ancient volcanoes and waterfalls. Or, in southern Scandinavia, follow the trail of the Vikings in the ancient markets of Bergen that have stayed lively since the 13th century.

For first-time visitors, their “Discovery Journeys” explore multiple countries for a real adventure. During a European Breakaway trip, you’ll visit six countries, traveling by different modes of transportation. Making arrangements like this can be daunting, but Insight Vacations will act as your “traveling concierge” and handle everything. In addition to their roomy tour coaches, they take care of the details for easy travel by Eurostar train (fastest way from London to Brussels), a river cruise, and even a funicular railway.

Traveling with Insight Vacations means you have access to their 40+ years of experience. Tour groups are smaller, accommodating around 30 guests for the ultimate in personal attention. Their hassle-free commitment

means your luggage will be hand-delivered directly to your door at premier hotels. And the included Dine Around Evenings

give you the opportunity to sample regional cuisine from one of their hand-selected restaurants.

**Call Brentwood Travel to learn how you can begin your unforgettable journey with Insight Vacations.**

# UNBELIEVABLE! AMAZING! WOW!

Just when you think you've seen it all in cruise ships, along comes a new one that blows you away! With its revolutionary design, high technology and elegant atmosphere, *Celebrity Edge* is set to be the most talked-about ship on the high seas.

Imagine a mini-deck the length of a tennis court hovering off the edge of the ship, moving up and down along a vertical track almost like an elevator. That's the Magic Carpet serving different purposes at different times of the day. Positioned on Deck 2, it's a disembarkation point for going ashore...that means no ramps or stairs when boarding a tender. On Deck 5, it becomes a lunch spot with wraparound views. Up on Deck 14, it's an extension to the pool area. And in the evenings, the Magic Carpet will anchor at Deck 16, where it'll become a fine dining restaurant that's cantilevered over the sea.

Where else can you sit 16 stories above the sea, dining by moonlight with a view of Barcelona?

Staterooms feature Infinite Verandas<sup>SM</sup> that take your whole room right to the water's edge, giving you open air access to the sea whenever you wish. Signature amenities for suite guests on *Celebrity Edge* include eucalyptus-treated cashmere mattresses from Italy, Bulgari bath amenities, butler service, packing and unpacking support, and a bar that's set up based on your own preferences. Six luxurious duplex villas have private plunge pools and direct access to the one of the ship's sundecks. If you opt for the penthouse suite, you'll get a better view than the captain because it's set right over the bridge!

With *Celebrity's* proprietary app, you'll be able to do everything on your phone, from checking in to unlocking your stateroom door or controlling your room's temperature and lighting. It also gives you access to the concierge, ship map, and daily event schedule. For a truly personalized cruise, just let the staff know what your interests are to receive notifications of activities and services.

# EXPLORE EUROPE'S GREATEST CITIES

There are many ways to explore Europe, but none is more iconic than the **VIKING RIVER CRUISES** Grand European Tour, a 15-day journey from Budapest to Amsterdam. This iconic voyage includes 12 guided tours across four countries as you follow the Danube, Main and Rhine rivers.

Indulge all your senses as you sample wine from the famous Wachau Valley of Austria and are dazzled by the frescoes of the Benedictine Abbey in Melk. Absorb the atmosphere as you explore Vienna with a tour of the Ringstrasse, home to famous monuments including the Vienna State Opera. One optional tour visits Schonbrunn Palace, the magnificent 1,441-room former imperial summer palace often called the "Versailles of Vienna." Picture yourself learning to dance the traditional Viennese Waltz...such fun!

As your voyage continues through

Germany, take a peek into the past and marvel at the medieval castles that have stood along the Rhine River for over 900 years. In Nuremberg, visit the ruins of Zeppelin Field and the Palace of Justice. We highly recommend the optional World War II history tour. Stopping in Cologne, you will tour the Gothic Cathedral, which was built in 1248 and is now a UNESCO World Heritage Site and Germany's most visited landmark.

The Grand European Tour visits nine UNESCO World Heritage Sites, including the unique town of Kinderkijk in The Netherlands. This is a cozy village with the greatest concentration of original windmills anywhere in the world.

We suggest you add a pre- or post-cruise stay to round out your vacation. For example, you could spend two nights in Amsterdam or Budapest, getting to know the city in depth.

Viking River Cruises opens a doorway into cultural insights and personal enrichment for the "thinking traveler." Onboard activities include informative lectures, cooking demonstrations, and the opportunity to create friendships with your fellow travelers. All onboard meals feature regional specialties and include complimentary wine, beer and soft drinks.
