FROM THE PRESIDENT AND CEO

The Gift of Travel

By Stephanie Turner, CTC

President & CEO, Brentwood Travel

Travel is the greatest gift you can give to your family. My husband and I recently took our two grandsons to Europe to celebrate the eldest's high school graduation. We had an amazing trip combining a one-week Avalon Waterways Active & Discovery river cruise on the Rhine with seven days touring. Before the cruise we spent four days in London, Paris and Amsterdam, and after the cruise we visited breathtaking Lucerne for three days.

At the end of the trip I asked the boys for their honest opinion – not as their grandmother but as their Travel Consultant. They told me they loved every minute of it – especially the river

cruise, Eiffel Tower and mountain climbing in Switzerland. They loved visiting castles from the medieval and romantic periods. They loved our foodie walking tour in Amsterdam and the wine tasting in Eltville am Rhein. They loved riding the trains between cities, especially the Eurostar from London to Paris. They loved the people they met along the way, including other young people on our cruise also traveling with family.

There are so many options to choose from when you travel – but consider making travel with family a priority like I do. I grew up traveling with my parents and I often say, "I don't remember what I got for my birthday or the holidays, but I do remember every trip we ever took." Now my dad is gone, but his memory lives on through our wonderful journeys, just as I will always cherish the journeys I take with my wonderful grandsons.

Travel is about creating memories. Most of us easily forget a boxed gift or check, but the memories of a special trip will live in your heart forever. The amazing Travel Consultants at Brentwood Travel are happy to assist you in planning that special journey to create long-lasting memories and bring your family even closer together.

Stephanie and her husband, Will, with their grandsons in Paris.

SAVOR THE JOURNEY

View glaciers from the bow of ms Volendam

With over 6,600 miles of shoreline and 570,000 square miles of land, Alaska is so massive that a simple land tour or cruise just isn't enough to truly do it justice. That's why **HOLLAND AMERICA LINE** created their Alaska Yukon and Denali Land+Sea Journeys! Join this unforgettable adventure in 2020, exploring the wonders of Alaska over both land AND sea!

Your Journey begins in Alaska's capital, Anchorage, where a train will whisk you away to spend two nights at McKinley Chalet Resort, right outside the entrance to Denali National Park. The Tundra Wilderness Tour, offered exclusively by Holland America Line, will take you deep into the park for an amazing opportunity to see Alaska's Big Five (grizzlies, caribou, Dall sheep, wolves and moose) and of course Mount Denali, the highest mountain peak in North America.

Continue your land adventure in the Yukon with a chance to pan for gold in Alaska's Golden Heart City, Fairbanks, followed by a plane ride to

Spot Grizzlies on the Tundra Wilderness Tour

the Gold Rush era town Dawson City. In Whitehorse, hike along the shores of the Yukon River at Miles Canyon. While visiting Skagway, you can choose to take the White Pass Summit Scenic Railroad Tour for an unforgettable journey through the Alaskan terrain.

Take a breath, because sailing on *ms Volendam* for the second part of your Journey will be just as awe-inspiring as the first. Spend an entire day marveling at the amazing beauty of Glacier Bay National Park, a UNESCO World Heritage site. Try your hand at salmon fishing in Ketchikan, Alaska's "First City," or visit Totem Bight State Park, home to one of the world's largest stands of totems. Finally, spend a leisurely day sailing through Alaska's Inside Passage, where you can stand on the bow of the ship to see wildlife including brown bears, bald eagles, orcas or humpback whales.

Travel Consultant Maggie Groene experienced Holland America Line's Yukon and Denali Land+Sea Journey firsthand in 2018. "Holland America did a fantastic job of helping us experience Alaska by both land and sea. Their mid-size ship offered all the great cruise amenities we expected without a giant crowd. Because Holland has been cruising Alaska longer than any other cruise line,

Pan for gold in Fairbanks

they get prime parking spots at each pier – this meant that we were able to walk off the ship directly into each port city! Every employee we met on board was friendly and helpful, I highly recommend them!"

Why not see it all? Contact Brentwood Travel to head up to Alaska for a HOLLAND AMERICA LINE Land+Sea Journey!

The possibilities of what you can experience with the Sirena Exotic Collection are endless. Stand before Al Khazneh, Petra's most elaborate ruin, carved directly out of a red sandstone cliff. On Board Carnival Vista

Travel Consultants Maggie Groene and Rachel Madigan recently sailed the Caribbean with CARNIVAL CRUISE LINE® on Carnival Vista®. With a balcony stateroom, delicious food and stops in Costa Maya and Cozumel, Mexico, they had an absolutely amazing time! Read on for details about their experience and tips for first-time cruisers!

BT: What types of entertainment and activities were on the ship?

M&R: There were a lot of different activities. The pools, waterslides, rope courses, and the IMAX theatre were a huge hit for the kids. We especially enjoyed the spa, themed trivia, the variety of bars, and comedy shows at The Punchliner Comedy Club!

BT: Did you enjoy the food?

M&R: We loved it! There were restaurants all over the ship with so many different kinds of food. The menus in the main dining area changed often, so we were able to try different things every day! We can't say enough good things about the

Blue Iguana Tequila Bar, one of Maggie and Rachel's favorites

Melting Chocolate Cake, delicious lobster and the 24/7 pizza. But without a doubt, our favorite restaurant on board was Fahrenheit 555 Steakhouse.

BT: What did you think about the staff and customer service?

M&R: The staff on *Carnival Vista* was fantastic! They made us feel comfortable and taken care of every minute of our trip. No matter what we needed, there was always someone to help us out. Our room steward, main dining staff and entertainment staff were very friendly, and we couldn't believe how quickly they learned our names!

BT: What did you do on port days?

M&R: We had such a memorable experience in Costa Maya. We spent the day shopping and even saw sea turtles while snorkeling! In Cozumel we had a relaxing day by the pool at the gorgeous Secrets Aura Cozumel Resort.

BT: Do you have any tips for first-time cruisers?

M&R: Purchasing a drink package was definitely worth it and saved a lot

of money in the long run. We also recommend a balcony room, because

then you don't even have to leave your room for fresh air and a great view of the water. Make sure to check your itinerary for any formal or themed nights so you bring the right clothes. Also, don't forget to bring seasickness remedies (bands, pills or patches) if you need them and, of course, lots of sunscreen!

From larger-than-life thrills to a peaceful waterfront chill spot, you'll find there's no right or wrong way to make the most out of your vacation.

Brentwood Travel's Royal Caribbean Strategic Account Manager, Lauren Bode, at Chill Island

Start your day at Thrill Waterpark with a 135-foot drop on Daredevil's Peak – North America's tallest waterslide. Or ride The Slingshot, where four can share a raft and a thrilling zero-gravity moment before freefalling down the slide into the water beneath you. Experience a "view from the top" by riding the Up, Up and Away helium balloon 450 feet above land. You can even soar over the harbor with a 1,600-foot-long zip line course. The smaller kids will have the time of their lives at Splashaway Bay with fountains, sprinklers, geysers, and water cannons, plus five waterslides!

Soar over CocoCay on a zip-line adventure!

All this excitement will have you needing to refuel at one of the four delicious dining spots. Take in live music while tasting wings with signature sauces at Captain Jack's. For fresh salads and self-serve beer, visit the beachside Chill Grill. Stop in Skipper's Grill for BBQ, tacos, and harbor views, or enjoy burgers and hot dogs at Snack Shack. And let's not forget about the four bars on the island: Captain Jack's, Wacky Seagull Bar, Wacky Seagull Junior Bar, and the relaxing in-water seats at Oasis Lagoon Bar.

What's vacation without relaxation? The beach areas are a prime sun soaking escape, especially Chill Island with its seaside day beds. Also, coming in December are two additional restaurants, three more bars, a Sports Court, and a Sports Pavilion.

Brentwood Travel's Royal Caribbean Strategic Account Manager, Lauren Bode, experienced Perfect Day at CocoCay in June. "The best thing about Perfect Day was that there was something for everyone! Chill Island was

relaxing and quiet after enjoying my time at the Oasis Lagoon Bar and the terrifying Daredevil's Peak! The Shack Burger at the Snack Shack was incredible, I MUST get the recipe for the special sauce they put on it because it was so good. It really was the Perfect Day!"

 with Viking River Cruises

Kinderdijk Windmills

Hofburg Palace - Vienna

"Viking will have you experiencing a variety of different cultures and customs." – Dianna Paridon, International Travel Advisor

THE MAIN RIVER

Disembark in Würzburg and tour the Bishops' Residenz, another UNESCO World Heritage Site and one of Germany's largest and most ornate baroque palaces. See the burial place of emperors and the home of smoked beer in Bamberg. Your ship will then transport you through the Main-Danube Canal, disembarking in Nuremberg to visit the Nazi parade grounds of the 1930s and the Palace of Justice, site of the infamous Nuremberg Trials.

THE DANUBE RIVER

At your first stop in Regensburg, tour a true medieval city untouched by World War II bombings. Explore the Italianate-style streets of Passau where three European rivers have converged to shape one distinctive city. During your stop in Melk, tour the renowned Melk Abbey, a 900-year-old Benedictine monastery. While in Vienna, visit the world-famous Opera House, St. Stephen's Cathedral and Hofburg Palace. Spend your last two days in Budapest taking in the European cultural capital and enjoy a traditional Hungarian dinner during your last evening on board.

International Travel Advisor Dianna Paridon traveled on a European Viking river cruise and absolutely loved it. "Viking will have you experiencing a variety of different cultures and customs. In the evenings you can enjoy dinner in the restaurant on board with floor-to-ceiling windows as you sail past spectacular valley views and incredible sunsets. It was wonderful stepping onto my private veranda to a gentle breeze and a different view every day! My Viking river cruise turned out to be the perfect vacation."
