**FROM THE PRESIDENT AND CEO**

**Welcome to the 29<sup>th</sup> Annual Cruise Expo!**

**By Stephanie Turner, CTC**

*President & CEO, Brentwood Travel*

This year, 2019, brings you our 29th Annual Cruise Expo. Each year our show gets bigger and better. What are the new hot products for the coming year? Well here's what is trending now.

**River Cruising** – This product's hot and continuing to grow. We have four river cruise companies at our show and each one has their own style and personality. River cruising is for everyone. Some ships are geared for adults only. Some ships are like small, intimate boutique hotels. Some ships design their staterooms so every bed is facing the river, and one river cruise line is doubling the size of their newest ship to provide much larger state-rooms. There are ships that promote family river cruises and active discovery cruises for those wanting activities that appeal to the more energetic and those desiring more traditional activities. River cruising takes you through the interior of Europe, Egypt, Vietnam, Russia, and other places.

**Alaska Cruises** – There's a wide variety of ships sailing to our 50th state. This is a fantastic destination for the young and young at heart. There is so much to do and see in the Great Land. Bring your grandkids, kids, girlfriends, significant other – truly everyone. There are big cruise ships and smaller, more intimate ships. There are seven-day

and longer cruises. Spend some time on land visiting Denali and the great wilderness or see the Yukon where the explorers went seeking their fortune.

**Caribbean Cruises** – The Caribbean is back. Great for that winter getaway or year-round on a variety of sizes and styles of ships. Cruises range from three to 11 days. It's a great place to commune with nature, shop, try new things like zip lining, or just chill on a beach.

**Europe and the Mediterranean** – This is always a favorite of our clients. Sail on large, grand ships or small, intimate vessels. You can sail literally anywhere from St. Petersburg, Russia to the Greek Islands and beyond. Try Spain and Portugal, the Norwegian fjords or the British Isles. The Riviera is always a favorite and everyone loves Italy.

Brentwood Travel's staff of experts can help you find the perfect cruise, then help you pick out all your excursions, arrange your airline reservation and help you protect your vacation. We help you create those wonderful memories, and as Millennials say, "YOLO." Come to Cruise Expo to find out what that means if you don't know. We truly value your business.

# The Future of Adventure

**ROYAL CARIBBEAN INTERNATIONAL** is amping up your favorite ships by reimagining their fleet with a \$900 million investment. The Royal Amplified program spans 10 ships over four years and will introduce a wide range of innovative features and never-before-seen thrills. Currently, there are two newly amped cruise ships to choose from — *Mariner of the Seas* and *Independence of the Seas* – and a third coming soon in Spring 2019 – *Navigator of the Seas*.

## ICONIC POOLS AND ATTRACTIONS

With Royal Amplified, outside decks will be reimagined for both day and night activities. From water parks that are specifically designed for family fun to lounge areas designed for relaxation, more specialized pool spaces will cater to diverse preferences. Upper decks will have exciting new attractions such as Sky Pad, a virtual reality bungee trampoline experience, along with first-of-their-kind waterslides.

*Adventurers will have the opportunity to drink, clink and live it up in distinct new bars and nightlife spots!*

## ELEVATED DINING AND NIGHTLIFE

Italian, seafood and Mexican cuisines are cravings all guests have onboard. Royal Caribbean will now feed such cravings with the introduction of more experiential dining. Travelers will enjoy new foodie experiences including Hooked Seafood, Royal Caribbean’s New England-style restaurant; Playmakers Sports Bar & Arcade, and family-friendly El Loco Fresh with a popular Mexican fare. Additional grab-and-go eateries will make their debut to keep guests fueled between their adventures.

Adventurers will have the opportunity to drink, clink and live it up in distinct new bars and nightlife spots. This makes for more nightlife venues offering food, live music and craft cocktails like The Bamboo Room and a signature outdoor Caribbean Bar. Other new concepts include a world-class music hall, a go-to spot for karaoke, and a lounge-style nightclub that will take the nightlife to a whole new level.

## REDEFINED CARIBBEAN GETAWAYS

Royal Caribbean is not only amping up the adventure onboard with the Royal Amplified program, they’re also raising the bar in vacation adventures on land with the introduction of their Perfect Day Island Collection with

private beach destinations around the world. Perfect Day at CocoCay, Bahamas, is scheduled for completion in May 2019 and will offer the ultimate in thrill and chill with a number of distinct experiences that will top any bucket list. Four Royal Caribbean ships in the Royal Amplified program will call it a Perfect Day at CocoCay, providing guests with a Caribbean vacation like no other.

Royal Caribbean International is an award-winning global cruise brand with a 49-year legacy of innovation and introducing industry “firsts.” Onboard, guests are catered to with the cruise line’s world-renowned friendly and engaging service by every staff and crew member.

# Client Spotlight: Galapagos

Celebrity **X** Cruises®

A highlight of the trip was seeing an active volcano

*Clients of Travel Consultant Ashley Curry journeyed to the Galapagos on CELEBRITY CRUISES and created an amazing travel vlog of their cherished memories! We asked them to share trip highlights, the benefits of booking during Cruise Expo, and tips for creating travel videos. Grab some popcorn and travel along with Tim and Bertha for this trip of a lifetime.*

**BT:** Why did you decide on a trip to the Galapagos, and why Celebrity Cruises?

**T&B:** Galapagos was the first destination on our “bucket list.” The islands are so unique and allow visitors to get up close with the animals like nowhere else in the world.

We traveled with Celebrity Cruises on a previous trip. It was wonderful, and we had no reservations about booking again when we learned about this amazing opportunity. We chose the smallest boat with room for 16 passengers. This gave us a more personal experience, greater flexibility, and allowed more time for adventures.

**BT:** What was the highlight of your trip?

**T&B:** The most unexpected experience had to be the night we all agreed to go off our planned course and witness a massive eruption from an active volcano.

Bertha and some new iguana friends

Use your smartphone camera & scan this code to watch video!

Seeing the lava fly through the air while hearing the roar of the pressure being released from the Earth was amazing.

**BT:** What tips can you share for other travelers looking to create quality vlogs of their adventures?

**T&B:** The video was absolutely something we planned to do ahead of the trip. Here are a few things that we did to make it a success:

Take lots of video! We only used about 20% of what we recorded, but if you’re not recording you won’t have much to choose from.

If you’re filming yourselves to narrate the video, be consistent. We filmed ourselves almost every day to discuss our adventure, so the video would feel cohesive.

We invested in newer, waterproof “point and shoot” cameras to capture the video and stills. Also, bring lots of batteries!

Take lots of pictures. Combining stills and videos makes the vlog more interesting.

Be aware of background noises when you are trying to record dialogue.

**BT:** What benefits do you receive from booking at Cruise Expo?

**T&B:** This was our third-year booking and our agent, Ashley, has gotten

to know our style and she was able to book us on-site. We like that the representatives from the cruise lines are present at Cruise Expo, so we can have questions answered immediately. Brentwood Travel also offers booking rewards like free airport parking, airport transportation, and Macy’s gift cards.

**Matt from CELEBRITY CRUISES will be joining us again at Cruise Expo – don’t miss the opportunity to learn even more about their wonderful voyages and ships.**

# Sail Alaska with Norwegian Joy

**NCL**  
**NORWEGIAN**  
CRUISE LINE®

Earlier this year, **NORWEGIAN CRUISE LINE** introduced us to Norwegian Bliss, their state-of-the-art ship sailing to Alaska and the Caribbean. In 2019, Norwegian Bliss' sister ship, Norwegian Joy, will begin sailing to Alaska as well, and with all-new renovations of its own! Now you can experience Alaska on two of Norwegian Cruise Line's newest ships, designed to give you deeper connections to the world around you.

Starting in April 2019, Norwegian Joy will be repositioned to sail out of Seattle on seven-day cruises to Alaska. Some of the ports and experiences you could have include kayaking through protected waterways in Juneau, eating freshly caught salmon in Ketchikan, feeling like you are part of the Gold Rush in Skagway, venturing "where the north wind doesn't blow" as you sail past Icy Strait Point, and even visiting Butchart Gardens (a 100-year-old floral paradise) in Victoria, British Columbia.

"I have sailed a few times to Alaska and each time it seems the scenery is more breathtaking than the last time. Sailing into and around Glacier Bay, the

quaint town of Ketchikan with the Totem Pole Park and lumber jack show, the White Pass Railroad in Skagway, and dogsledding and helicopter rides in Juneau – it's all spectacular," stated Brentwood Travel Consultant Ann Fendelman after visiting Alaska.

While being captivated by the gorgeous destinations in Alaska, Norwegian Joy is sure to impress after undergoing \$50 million in enhancements from restaurants to entertainment options. Experience a rush like no other while racing on a thrilling two-level racetrack in the middle of the ocean. Be thrilled while at the Galaxy Pavilion, an immersive virtual experience with simulator rides and interactive video walls. Enjoy The Waterfront, a quarter-mile oceanfront promenade with delectable restaurants, chic bars and stunning ocean views. Or relax in your concierge accommodations that include 24/7 concierge service, private dining, priority embarkation and disembarkation, plus additional special perks throughout the ship.

When Norwegian Joy is not sailing past glaciers in Alaska, she will also sail the Mexican Riviera and Panama Canal. However, The Great Land of Alaska is waiting for you and **NORWEGIAN CRUISE LINE** is ready to take you there. # The Next Chapter of Elegance

OCEANIA CRUISES®

Travel Consultant Julie Skrainka & her husband in St. Petersburg while on an Oceania Cruise

*This year, OCEANIA CRUISES celebrated 15 years of sailing the world aboard intimate, luxurious ships. What better way to celebrate such accomplishment than a \$100-million refurbishment of four original ships as well as a new, ambitious brand initiative? This multi-year project called OceaniaNEXT will elevate every facet of the guest experience. From new dining experiences and reimagined menus to the dramatic inspiration of the iconic Regatta-Class ships, guests will be more than pampered onboard and their life enriched through in-depth destination exploration. For now, let us take you on a tour of the new Regatta, Insignia, Nautica, and Sirena ships.*

## GLORIOUS NEW SUITES AND STATEROOMS

Regatta, Insignia, Nautica, and Sirena will essentially become four new ships, with the most dramatic changes happening in the staterooms and suites. Every surface of every suite and stateroom will be entirely new with custom-crafted furnishings, exotic stones, designer accessories, and polished wood finishes. In addition, modernized technology will be found in every room, from USB ports to state-of-the-art interactive TV systems. The dark woods and brown hues will be replaced with

lighter, brighter, and cleaner colors with inspiration from sea and sky.

Every bathroom will also be completely metamorphosed, with even more space, new designer fixtures, perfect lighting, lavish vanities and sleek glass showers that close completely. The Penthouse, Vista and Owner's Suite bathrooms will feature Carrara marble, polished granite and sleek onyx.

## LIFE ON BOARD

The intimate and elegant bars, lounges and public spaces will be as warm and inviting as ever. Experience the luxury of "The Finest Cuisine At Sea" on board any Oceania ship, but the new Regatta-Class ships will feature a new type of elegance and sophistication. Imagine sipping an aperitif in the restyled Grand Bar or sinking into buttery-soft dining chairs in The Grand Dining Room, where a renewed sense of grandeur will radiate from a beautiful, eye-catching crystal chandelier at its center. Martinis, the main bar, will ditch its country-house look for a venue that evokes Santorini with Grecian blues. The Upper Hall and Reception Hall will sparkle with a redesigned Grand Staircase, overlooked by a beautiful chandelier, accentuated with smoked and hand-painted glass.

## YOUR WORLD AWAITS

With evening departures and more overnight stays in over 450 spectacular ports around the globe, you're guaranteed to see the world in luxury with Oceania. Travel Consultant Julie Skrainka sailed the Baltic and

North Sea with Oceania and loved the experience. "The size of the ship, just over 600 passengers, gave the cruise a more intimate feel and gave us an opportunity to really get to know and enjoy some of the other travelers. The food was spectacular and the service on the ship was top-notch!"

# The Splendor of Autumn

## CUNARD

*A CUNARD LINE cruise is just as much about the destinations as the experience on board. Cunard offers a sense of freedom and the possibility to choose as much or as little as you please on board their iconic ships including Queen Victoria and Queen Elizabeth. On Queen Mary 2, sail the regionally focused route of New England and Canada departing October 4, 2019 and explore the natural beauty of this historic area in the autumn season.*

During this voyage, enjoy 14 fabulous nights cruising in luxury on this round-trip cruise from New York. Ports of call also include Maine, overnights in Quebec, and Nova Scotia. Explore the diverse coast of New England and Canada, where each day holds something new and different, from fjords and cliffs to island stops and cosmopolitan capitals.

Your first stop is the natural paradise of Bar Harbor, Maine. From a secluded haven for artists to elitist holiday retreat, this area has a rich history of enchanting visitors with its immense natural beauty in the fall. In Acadia National Park, travel to Cadillac Mountain – the East Coast’s highest mountain peak, with outstanding views of the Porcupine Islands and Frenchman Bay.

When you cruise to Quebec City, you will dock at the inland port, the oldest in Canada, just minutes from the city center. As you travel towards the city, you will

witness the contrasts between the port area and the Old Town. This area has a style all its own, where history and romance seep from every building and cobbled street.

Almost 400 miles northeast of Quebec City, Sept-Iles stands in the Côte-Nord region of eastern Quebec. It looks out onto the point where the St. Lawrence River widens into the mighty Gulf of St Lawrence. While this corner of Canada is better known for endless landscapes of pines forests, lakes and mountains, you will also find long stretches of sandy beach that run along the shore.

Halifax is the hometown for Sir Samuel Cunard himself, where he has been immortalized in bronze and presides over the elegant waterfront. While in this fascinating city, visit the Halifax gardens, known for their tranquil tapestry of manicured lawns, winding paths and iron railings.

Your voyage concludes in the bright lights of the Big Apple, with expensive brownstones, colorful neighborhoods like Greenwich Village and the Upper West Side, and the legendary Central Park. Explore the great museums or take

## Discover Northern Europe

*After more than 145 years, the hallmarks of a HOLLAND AMERICA LINE cruise are as appealing as ever. From the timeless elegance of their mid-sized ships to award-winning service and excursions, discovering Northern Europe with Holland America Line will bring a refreshed perspective of the old world.*

Clients Mike and Emilie V. on their Holland America cruise.

### JEWELS OF THE BALTIC ON ROTTERDAM

Get ready for the beauty of Northern Europe where the sun lights up golden domes in St. Petersburg and the beer gardens in Berlin. Holland America's 12-day round-trip itinerary to and from The Netherlands stops in Denmark, Estonia, Finland, Germany, Russia, and Sweden.

Highlights include spending two full days in St. Petersburg, with a must-visit to the Hermitage Museum. Drop by LEGOLAND in Aarhus and

delight your inner child with over 60 million Lego bricks. In Denmark, learn to make a legendary open sandwich and then enjoy your creation

in cozy communal (or hygge) dining. And onboard you will not want to miss "Best of the Wurst," a fascinating program that teaches the difference between the wide variety of cured meat found throughout Northern Europe.

### FJORDS & HIGHLANDS ON ZUIDERDAM

This 14-day round-trip voyage begins in Copenhagen, the gateway to the crystal-blue fjords of Norway and the emerald highlands of Scotland. The itinerary includes evening stays in Belfast, Dublin and Amsterdam, as well as stops in Scotland, Belgium and France.

Enjoy a day in charming Cherbourg, France where you can take an optional excursion to view the Bayeux Tapestry. Created in the 11th century, this historically significant embroidery depicts the conquest of England led by William the Conqueror. When in Scotland, be sure to say "hi" to Nessie as you visit mysterious Loch Ness. No matter how skeptical you are regarding the existence of a lake-dwelling monster, it is impossible to drive alongside Loch Ness without scouring the dark waters in hope of a sighting.

While on board *Zuiderdam*, hone your culinary skills at a cooking show or a hands-on workshop with America's Test Kitchen. And after a busy day ashore, nothing feels better than a Swedish massage in the ship's Greenhouse Spa & Salon.

Mike and Emilie, clients of Stacey Hoehne, Supervisor of Leisure Travel,

enjoyed their first cruise with Holland America Line this past summer. "There were afternoon lectures on the upcoming ports of call, which were followed by a happy hour called Sip & Savor. The chief sommelier offered a tasting of the appetizer of the day and a glass of his choice for a minimal fee. We also really appreciate all the helpful information Stacey shared with us before the trip, including a meal option that was a great deal. Having this kind of 'insider' help speaks really well of working with Brentwood Travel."

**HOLLAND AMERICA LINE can take you almost anywhere in the world! Be sure to visit Samantha at the Holland America booth of Cruise Expo to hear more about what makes their cruises so unforgettable.**

*Regent*  
SEVEN SEAS CRUISES

Who doesn't dream of sailing the Mediterranean? Who doesn't love the idea of sailing aboard a brand-new, all-inclusive, luxurious cruise ship? **REGENT SEVEN SEAS CRUISES** can provide both. The highly anticipated *Seven Seas Splendor*, the sister ship to *Seven Seas Explorer*, will begin her voyages in February of 2020. The ultra-luxurious ship will make her inaugural voyage across Europe with 15 destination-rich summer sailings, one of which is the "Majestic Mediterranean."

### LUXURY PERFECTED

Regent is known for its all-inclusive traveling experiences and has managed to set a new standard for luxury by striving for the ultimate achievement – perfection. *Seven Seas Splendor* will entail intricate marble patterns, soaring ceilings topped by sparkling chandeliers, and will be decorated with original artwork and high-end furniture and fabrics made mostly in Italy, fostering a new level of sophisticated ambience. There will be 375 cabins, all suites with private balconies and 16 total categories. Our President and CEO, Stephanie Turner, sailed the Mediterranean on sister ship *Seven Seas Explorer* and loved the accommodations on board. "I love Regent for the size of the suites. They're all suites with walk-in closets, bathrooms are well-appointed and nicely sized with two sinks, and our butler took very good

care of us. The food was outstanding at both the main and specialty restaurants. We loved having no additional charges for cocktails, wine, or even specialty coffees."

On board *Seven Seas Splendor*, Regent has not only perfected accommodations, but dining as well. Whether you're craving a light lunch or a seven-course meal, the culinary teams at each dining venue use local ingredients allowing you to taste the flavors of the world no matter where you're traveling.

Luxury Perfected does not stop there. A dedicated department to arrange shore excursions, a lavish pool, two whirlpools on deck, live music in Latitudes Lounge, performances in the Constellation Theatre, the Connoisseur Club for fine liquor and cigars, and a casino will all provide further decadence. Travelers looking for more pampering on board can also utilize a Fitness Centre offering yoga, pilates and gym equipment, as well as a jogging track, putting greens, paddle tennis, and the Canyon Ranch SpaClub.

### THE MAJESTIC MEDITERRANEAN

One of *Seven Seas Splendor's* beautiful sailings will be her fascinating voyage into the heart of

the Mediterranean. From Palamos to Toulon to Kotor you will experience the intimacy and beauty of boutique ports. Art lovers must not miss the Peggy Guggenheim Collection excursion, showcasing masterpieces of 20th-century art paired with the avant-garde movements. ## RIVER CRUISING

# From Prague to Vienna: Experience Jewish Heritage with **UNIWORLD** BOUTIQUE RIVER CRUISE COLLECTION®

*If you're an "off the beaten path" traveler who also admires Jewish culture, then an Authentic Danube & Prague sailing belonging to the Jewish Heritage Program with **UNIWORLD BOUTIQUE RIVER CRUISES** should be next on your travel bucket list. With 10 days from Prague to Vienna, this in-depth Jewish Heritage itinerary features Jewish-inspired architecture, museums, memorials, synagogues, and more.*

### JEWISH HISTORY AND CULTURE ALONG THE DANUBE

The Jewish Heritage Program is truly one of its kind on the rivers. Uniworld has designed this themed cruise to serve as a cross-cultural "bridge of understanding" on board *River Princess*.

Your first two days will be spent exploring the beautiful city of Prague. On day two, join the Old Jewish Quarter Tour that includes discovering the magnificent Golem and legendary Rabbi Loew.

Travel Consultant Dianna Paridon visiting Basel while on a Uniworld Cruise

Upon arriving in Nuremberg on day three, you will learn the intriguing history of the Jewish people in Nuremberg during World War II.

Once you arrive in Regensburg, you can participate in the Jewish Regensburg & Schindler's List Tour. On day six in Straubing, discover outdoor leisure at its best with a journey deep into the Bavarian Forest National Park, Germany's first national park. In Passau, experience the "City of Three Rivers" where the Danube, Inn and Ilz rivers join together. On day eight in Weissenkirchen, visit Melk Abbey, a Baroque monastery that sits atop a rocky formation overlooking the Danube. With your last two days in Vienna, take part in the Jewish Vienna Walking Tour to experience the former Jewish Quarter known as the "Matzoth Island" of Vienna.

### SAILING WITH UNIWORLD BOUTIQUE RIVER CRUISES

Every Uniworld voyage is unique and luxurious, and they have really gone the extra mile with this itinerary to provide guests with an all-inclusive experience, exploring the Jewish people's enduring legacy.

Travel Consultant Dianna Paridon sailed with Uniworld in 2016 and loved sailing with this cruise line. "I like to compare Uniworld to a floating European boutique hotel. It's small and intimate, yet all the services and amenities can be compared to a large hotel. Each day you enjoy delectable, mouth-

watering cuisine, your favorite cocktail or wine in the lounge, or a stroll on the sundeck, just to mention a few ways to enjoy your day. You can join the included tours or explore on your own, the choice is yours. If you are looking for a luxury experience to Europe, picture yourself on a Uniworld river cruise!"

Grace and James D., clients of Travel Consultant Mickey Gaona, have plenty of rave reviews about their Viking river cruise along the Rhine River. "We've been on several motor coach tours and wanted to experience a new mode of traveling. A relaxing, slow-paced trip with no kids or crowds was our goal. British Columbia and Southern Oregon. Embrace history during an included shore excursion, such as a guided tour of Nez Perce National Historical Park to learn about the Native American tribe that assisted the Lewis and Clark Expedition.

Cathy Robinson, Group Travel Director, journeyed with American Queen Steamboat Company and enjoyed the many different aspects of this style of cruising. "The entire cruise really made you appreciate a slower pace of life. Riverlorians are available on board to guide you along on what you will see.
