CRYSTAL CRUISES

The Difference is Crystal Clear

There really is no other luxury experience like an elegant Crystal Cruises vacation. From the instant you arrive until the moment your cruise ends, you'll be treated like royalty. Your stateroom will feature plush bathrobes, Egyptian cotton linens and flat screen TVs, DVDs and CD players. The spacious Crystal ships have more square footage per passenger in which you can relax and be pampered, partake of enrichment programs, wine and dine, and so on, and so on!

The all-inclusive Crystal experience represents the epitome of luxury and value – just consider all that is included at no extra cost: complimentary fine wines, premium spirits and champagne served throughout the ship; 24-hour room service; twice-daily housekeeping with nightly turndown service and a menu of dreamy pillow options; state-of-the-art fitness center with Pilates classes, Spinning, Tai Chi and personal training; fine specialty restaurants Prego, Silk Road and The Sushi Bar; prepaid gratuities for dining, bar and housekeeping staff.

Crystal's top-of-the-line entertainment features lavish Broadway and Las Vegas-style productions that will dazzle you. You'll certainly rave about the cuisine of renowned chefs and the extensive wine cellar with over 300 vintages. Dining in each of the specialty restaurants is available at no extra charge; and if you want a quiet evening in, there is 24-hour in-stateroom dining.

Just what would a day cruising in the lap of luxury aboard a Crystal ship be like? Picture this: You wake in your spacious stateroom, suite or penthouse and enjoy breakfast al fresco on your private teak verandah. With a gracious smile, your stateroom stewardess or Penthouse butler

DISCOVER THE COLORFUL SOUTHERN CARIBBEAN

The Southern Caribbean offers a stunning array of cultural diversity. You can salsa dance in the Dominican Republic, learn about Dutch history in Curaçao, eat delicious French dishes in St. Barts and English fish and chips in Barbados. This region also offers many natural wonders, including a volcano, mountains, rain forests, beaches, waterfalls and rivers. No wonder it's one of the most popular cruise destinations!

STAR CLIPPERS' MEGA-YACHT EXPERIENCE

By careful design, a Star Clippers sailing is not your typical cruise, and their Caribbean voyages are something out of the ordinary. Star Clippers' 170- or 227-passenger tall sailing ships visit ports often untouched by larger cruise ships, making their way to private places and hidden harbors.

For example, Iles des Saintes is an enchanting group of islands off Guadeloupe. While the inhabitants are descended from Breton fishermen, wealthy French investors have recently built exclusive resorts and vacation homes here. You'll enjoy the superb beaches, snorkeling, diving and other

watersports. Dominica is an island full of surprises. Star Clipper anchors in remote Prince Rupert Bay, surrounded by steep mountainsides and lush jungle-like beauty. You might take a fascinating boat ride up the Layrou River through an orchid-filled rainforest. Or, hike to breathtaking Trafalgar Falls and a bubbling lake.

The island of St. Barts is a sophisticated, elegant gem offering duty-free shopping in exquisite boutiques, beautiful beaches, excellent dining and people watching. Martinique is the classic French Caribbean island with something for almost everyone. Just try resisting the charms of spicy Creole cooking and tempting boutiques in Fort de France!

Star Clippers tall ships combine an authentic sailing adventure with all the modern amenities of a private mega-yacht. They are perfect for luxury-loving travelers looking for a casual atmosphere with no rigid schedules. International cuisine is complemented by fine wines. The ships are complete with swimming pools and a convenient marina platform that

PRINCESS CRUISES' CARIBBEAN ISLES

We don't like to think of the chilly winter months ahead, but they'll be here before we know it. Our hearts and minds will turn to the south, toward the warm tropics. That's why now is the time to plan for a Southern Caribbean cruise on Princess Cruises' beautiful new all-balcony ship, *Regal Princess*. Put yourself in the islands filled with sun and fun, excitement and lazy days, tropical sights and sounds.

White sand, black sand, soft as silk or dotted with interesting shells... the beaches of the Southern Caribbean are unequalled. The island of St. Maarten has two sides – a French and a Dutch. Browse the endless French boutiques and duty-free shops, or visit sights like the cliffs and caves of Cupecoy Beach.

In the U.S. Virgin Islands, St. Thomas

has something for everyone, from dazzling golf courses to fascinating historical sites, and even a thrilling 700-foot skylift to the top of Charlotte Amalie. This island also offers wonderful duty-free shopping. Of course, with snorkeling, sailing, reef diving and more, these islands are perfect for the adventuresome traveler.

With a different feel entirely, St. John, is quiet and peaceful. Two-thirds of the island is designated as national forest, and St. John has some of the world's most beautiful beaches, like the much-beloved Trunk Bay. This blue flag-rated and ADA-accessible beach is renowned for its crystal sands and underwater nature trail. Choose from a variety of unforgettable activities like hiking, biking and horseback riding. Be sure to sample the Caribbean cuisine, from mouthwatering seafood to BBQ and jerk dishes.

A highlight on many Caribbean voyages is Princess Cruises' exclusive port of call, Princess Cays, where you'll enjoy a private beach party. Take in the views from the observation tower. Enjoy a barbecue. Sip a cool drink or browse the shops and the local craft market. Recreational activities abound: enjoy volleyball and a full range of water sports, or simply relax on the beach.

SOUTH AMERICA – CONTINENT OF EXOTIC DISCOVERIES

From the Incan villages of Peru and the ancient Manta civilization of Ecuador, to the electric Mardi Gras atmosphere of Rio and the cowboy culture of Argentina's Pampas, the vast continent of South America is home to a variety of vibrant cultures and diverse environments. That's the miracle of South America. In less than 24 hours, within just a short distance, the landscape can transform so dramatically, it feels like being in an entirely different world.

Punta del Este, Uruguay is known as the St. Tropez of South America, with its white sand beaches, yachts and beautiful people. Imagine watching fishing boats deliver the morning's catch while sea lions wait playfully for a snack from a bystander. Then treating yourself to a plate of calamari straight from the ocean into the pan and onto your plate.

Rio de Janeiro, Brazil is a city you know by

feel – the rhythm of samba, the year-round spirit of Carnival, and the nonstop energy of its iconic beaches Copacabana and Ipanema. Few experiences are as memorable as taking in the glorious vista from the top of Sugarloaf Mountain, or as inspirational as standing in the presence of the immense statue of Christ the Redeemer atop Corcovado Mountain.

Rivalling Madrid or Paris for sophistication and culture, the tree-lined boulevards of fashionable Buenos Aires, Argentina are loaded with superb restaurants, art galleries and museums. The Mercado (Market) del San Telmo, was built in 1897 and still features cobblestone streets and much of the original architecture. You can lose yourself browsing in shops filled with antiques, fresh produce and meat, luggage, wine and other treasures.

A **Regent Seven Seas Cruises** voyage to South America is nothing short of spectacular, with its unique itineraries and the most inclusive luxury cruise experience found anywhere. Regent offers 2-for-1 fares, plus FREE round-trip air from certain cities, prepaid gratuities, unlimited beverages including fine wines and spirits, specialty restaurant dining, ship-wide WiFi, a one-night pre-cruise hotel package and transfers between airport and ship.

EXPLORE THE WORLD

10 Reasons to Visit Alaska & The Yukon

The state of Alaska and its next-door neighbor, Canada's Yukon Territory, are home to more of nature's miracles than you've ever seen. We'd like to offer you 10 of the quintessential experiences you'll discover there.

1. See a Grizzly in the Wild – Thought to be ferocious, the grizzly is generally content to eat fresh salmon and wildberries and leave humans in peace. The bears are most likely to show themselves in Kluane National Park.

2. Photograph North America's Biggest Mammals – Denali National Park is the best place to see the largest game animals on the continent: moose, caribou, wood bison, musk ox and elk.

3. Experience America's Wildest Park – One 92-mile road runs through Denali National Park's six million acres of forest, tundra and mountains. In addition to nearly 40 species of mammals, Denali's most sought-after sight is Mount McKinley, America's tallest peak at 20,320 feet.

4. Haul in a Monster – When salmon come upstream to spawn, Alaska is a fisherman's dream. Sitka is a hub for halibut and salmon seekers.

5. Get Splashed (Almost) by a Glacier – See huge glaciers calve directly into the sea when cruising Glacier Bay or Tracy Arm Fjord...awesome sights and sounds belonging to another age.

6. Get That "Last Frontier" Feeling – Reminders of the frontier days are found in Whitehorse and Skagway, where you can eat, drink and pan for gold as the early settlers did.

7. Cruise the Yukon River – Cruising the Yukon River, which was the lifeblood of the territory for people and supplies, still conjures images of Gold Rush days.

8. Stand on Top a Mountain – In Juneau, Mount Roberts is accessible by tram or foot. Nearby Thunder Mountain rises above the Mendenhall Glacier and is reached by a tough hike or easy helicopter ride.

9. Fly Over a Primitive World – Flying is an integral part of life in this vast land, and the view from the air is spectacular.

WORLD ... YOUR WAY

Riviera Maya & Playa Del Carmen ... Jewels of Mexico

Located south of Cancun, this 122-mile stretch of coastal paradise has it all – white sand beaches, turquoise waters, tropical jungles, and ancient Mayan ruins. It is the old meeting the new. Families with kids, romance-seeking couples or friends traveling together...the Riviera Maya caters to everyone.

Thousand-year-old ruins lie within sight of luxurious mega-resorts offering every amenity imaginable. For golfers there are a variety of challenging courses to choose from. Many resorts here are all-inclusive, offering all meals, drinks, gratuities, and entertainment at one price – an attractive option for budget-conscious travelers and families.

Visitors can dive and snorkel at the largest barrier coral reef in the northern hemisphere, enjoy a Mayan massage at one of the tranquil spas, golf

where the PGA Tour has often been held, or relax all day in a hammock under the shade of a palm tree beside the Caribbean Sea while sipping refreshing margaritas. For a day of fun, visit the nearby town of Playa del Carmen and its shops, filled with local arts and handicrafts. From there, you can take the ferry to the island of Cozumel for snorkeling or a jeep tour.

Those interested in Mayan culture can visit archeological ruins, the largest of which is Tulum, an ancient Mayan temple built on a cliff. If you are adventuresome, a zip-line through the jungle, an afternoon snorkeling in a freshwater pool or an all-day jungle tour will be right up your alley. Interested in ecology and eco-parks? Then be sure to visit the eco-archeological water park at Xel-Ha, a spectacular natural aquarium and Xcaret Eco Theme Park where you can swim in underground rivers.

It's no wonder that Riviera Maya and Playa del Carmen have been selected "Best Destination" by Apple vacationers. If you're shopping for a perfect family resort, a romantic location for a wedding or honeymoon, or an adults-only resort for a well-deserved quiet getaway, we have just

Grand Sunset Princess All Suite Resort , complemented by natural surroundings of fascinating beauty, this impressive resort is located along a pristine white sand beach in Playa del Carmen and offers an unforgettable 24-hour all-inclusive vacation experience.

what you're looking for.

Apple Vacations offers a huge choice of world-class hotels and all-inclusive resorts, and Brentwood Travel will find the right one for you at a price that will keep you smiling.

A Great Idea For Your Next Vacation

Having trouble deciding what to do on your next vacation? Take the family on a cruise? Spend time in a fascinating U.S. city? Take a driving trip? (While at the same time, staying within a budget.) No need to choose...you can do it all by driving to Houston and combining a fabulous visit there with a Caribbean cruise!

Houston, Texas, America's fourth-largest city, is a cosmopolitan destination, filled with world-class restaurants, hotels, shopping, and nightlife. There are always things to do in this "Southern hospitality meets urban chic" city.

Probably the most-visited attraction there is Space Center Houston, the official visitors' experience at NASA's Johnson Space Center. The Starship Gallery Journey is a 12-minute feature of "On Human Destiny," which traces the history of the manned space program. You can also observe three capsules that were actually flown in space and mock-ups that were used for astronaut training. There is a behind-the-scenes tour to Johnson Space Center, including the Historical Mission Control Center and the International Space Station Shuttle mock-up facility where astronauts receive their training. This is a perfect experience to share with your entire family.

If you are looking for an unforgettable evening with your "significant other," here's a suggestion:

Housed in a 100-year-old log cabin on lush grounds just minutes from downtown, Rainbow Lodge is considered one of the most romantic spots to dine in Houston...charming and intimate, with cozy fireplaces and a meandering deck that looks out on a nearby creek. The food is simple yet deliciously prepared – from the cast iron-seared red snapper to braised buffalo short ribs.

For the ULTIMATE vacation, combine your trip to Houston with a glorious 7-night Western Caribbean cruise aboard Norwegian Cruise Line's *Norwegian Jewel*. NCL's Freestyle Cruising offers a wide range of complimentary dining options, all available on your schedule. The freedom continues with entertainment for everybody – from Broadway shows, to adults-only clubs where you can dance 'til dawn, to supervised activities for kids and teens. When it's time to recover from the excitement, you can retreat to accommodations designed for the way you like to cruise.

DOUBLE YOUR EUROPE EXPERIENCE

Dilemma: There are so many places in Europe you want to visit, but you can't figure out how to make it work.

Solution: Take a back-to-back pair of Avalon Waterways' fabulous river cruises.

Avalon offers you a new and original way to "see it all" on your visit to Europe. They have combined two of their best and most popular cruise itineraries into one spectacular voyage called "Rhine & Rhône Revealed." Fly once – cruise twice!

The first voyage takes passengers on one of Europe's most legendary rivers, the Rhine. Flowing from the Swiss Alps, through Germany and to Holland's North Sea, the Rhine River is most famous for the imposing medieval castles that line its banks. Sail through four countries as you visit Amsterdam, Cologne, Koblenz, Rudesheim, Heidelberg, Strasbourg and Basel. This cruise is enhanced even further by an

overnight stay in Amsterdam before you set sail, giving you an opportunity to visit must-see places like the Van Gogh Museum and Ann Frank House and take a boat ride through the maze of canals that crisscross this city.

When you complete your Rhine journey and disembark in Basel, Switzerland, you'll be whisked away on an Avalon-chartered motorcoach and travel in comfort to Beaune for a wine tasting or visit to Hôtel-Dieu. Next, board your ship in quaint Chalon-sur-Saône where you'll begin your memorable river cruise through southern France on the Rhône and Sône rivers.

Your next stops include Avignon, charming Viviers, medieval Tournon, Vienne, France's gastronomic capital of Lyon, as well as Mâcon, Tournus, Chalon-sur-Saône. Before disembarking your ship in Arles, sail through the peaceful Camargue area. Your vacation ends with an overnight on the French Riviera, also known as the Côte d'Azur, at the magnificent Fairmont Monte Carlo. This cruise vacation has it all – beautiful countryside, delightful towns, wine-tasting and more!

The ships of Avalon Waterways feature large staterooms, panoramic views and unmatched service. Their incredible dining choices, fascinating tours and top-notch English-

WESTERN CARIBBEAN: Sun, Fun and So Much to See

The Western Caribbean, with its temperate seas, sunny weather and cultural diversity makes for a fun-filled vacation destination year-round. But the Caribbean has a lot more to offer than sun, surf and sand. Venture beyond to the natural wonders and historic sites throughout the islands of the Western Caribbean for a complete experience.

In Cozumel, Mexico, don't miss the opportunity to explore the ruins of the ancient Mayan city of Tulum, majestically perched above the turquoise Caribbean. The site was occupied as far back as A.D. 600. You will be struck by the pyramid-shaped El Castillo, which dominates the city from atop a 40-foot cliff. One of the top diving destinations in the world for its bright storybook coral reefs, the island of Cozumel is also home to a variety of natural beaches. Sit back, relax, and bury your

toes in the beautiful white sand!

Situated on Jamaica's north coast about 18 miles east of Montego Bay, Falmouth is noted for being one of the Caribbean's best-preserved Georgian towns. Visitors to Falmouth can experience the revitalization of one of the first shipping ports in the Caribbean, with a rich heritage dating back more than 240 years. Take in Falmouth's British Colonial architecture and visit the Good Hope Great House for rich history, culture and scenic beauty including the Pottery House and Trading House.

With its spectacular coral reefs and amazing marine life, Grand Cayman attracts divers the world over. Stroll along Seven Mile Beach, defined by its long stretches of soft white sand. This pristine expanse of land is lined with resorts, restaurants and shops. You might also want to visit the Cayman Turtle Farm, home to thousands of sea turtles, and the colorful 65-acre Queen Elizabeth II Botanic Park.

Nobody sails the Western Caribbean quite like **Royal Caribbean Cruise Line**. They have a wide variety of itineraries to fit any schedule, any budget and any ship preference. Whether you are planning a perfect getaway for two, a family vacation or a honeymoon, Royal Caribbean is for you. The most
