## SELECTING THE PERFECT CRUISE

**Stephanie Turner, CTC**  
**President, Brentwood Travel**

"I really want to take a cruise, but I'm confused by all the choices." We hear this so often from people looking for our help in planning a vacation. Yes, there is so much to consider when selecting a cruise: ocean ships – large, small and in-between; river cruises – in the U.S. and abroad; destinations – just about anywhere in the world. How do you know which of the countless offers and deals are the best value for you?

The good news is that there are so many options, and there is definitely one to fit you and your lifestyle. At

Brentwood Travel, we can help you sort it all out and make the choices that are right for you.

In the contemporary cruise market, companies like Celebrity, Royal Caribbean, Norwegian Cruise Line, Princess Cruises and Holland America offer a variety of value-added packages. These may include onboard credits, pre-paid gratuities, complimentary drink packages, a complimentary evening in one of the specialty dining options, reduced deposits, discount coupon books and more. The earlier in the season you book your cruise, the more options you will have to choose from. Often these special values are offered

when you book an ocean view or balcony stateroom and above. Offers such as these are usually available on cruises in Europe, the Mediterranean, Asia and other exotic destinations, but there are often some Caribbean offers as well. Many times, the higher the stateroom category, the more included choices you will have.

When looking at one of the cruise lines in the premium and luxury categories, such as

Oceania, Azamara, Regent and Seabourn, you'll be surprised at all of the amenities included in their pricing. They may include all of your beverages, gratuities, specialty coffees, unique evenings in a port, and specialty dining. Regent Seven Seas even includes all of your shore excursions in their pricing. As with most cruise lines, the higher the category of your stateroom, the more may be included.

# SEE ALASKA IN ALL-INCLUSIVE LUXURY

Do you want to see parts of Alaska not included on most cruises? Do you love cruising on a smaller ship featuring luxurious comfort and personalized service? Hate long lines and crowded restaurants? **REGENT SEVEN SEAS CRUISES**, the ultimate in all-inclusive luxury cruising, has just what you're looking for with their Alaska voyages on *Seven Seas Mariner*.

Because of *Mariner's* small size – only 700 passengers – she's able to sail into Alaska's boutique ports in a warm and intimate manner not possible on larger ships carrying thousands of passengers.

One featured port is Wrangell, once a Tlingit Indian stronghold, then a Russian outpost, and finally an American settlement in 1867. See a preserved tribal house on Chief Shakes Island, or at the

Wrangell Museum learn about the three gold rushes that transformed the area. After you dine on fresh Dungeness crab and Alaska spot prawns, you might shop for Wrangell garnet jewelry.

Imagine seeing Alaska on a ship that is like an intimate and exclusive resort where every stateroom is spacious with a private balcony, features crisp linens, plush bathrobes and slippers, and an in-suite mini-bar replenished daily with soft drinks, beer and bottled water FREE of charge. *Mariner* features four gourmet restaurants with open seating at no additional charge. If you prefer, enjoy breakfast on your balcony, a late afternoon snack or dinner en suite, Regent offers free 24-hour room service. Like all Regent ships, *Mariner* features a Canyon Ranch SpaClub®, and delicious Canyon Ranch SpaClub® cuisine, which is available at lunch and dinner.

**REGENT SEVEN SEAS CRUISES** offers you an all-inclusive luxury cruise experience with 2-for-1 fares, plus FREE roundtrip air from certain cities, unlimited shore excursions, gratuities, specialty restaurant dining, unlimited beverages including fine wines and spirits, 24-hour

*It's not about the destination, but the journey.*

**THE ROCKY MOUNTAINEER** railroad company has been taking this to heart for the past 25 years. Imagine soaking up panoramic views of the Canadian Rockies by day, then spending cozy nights at historic four-star hotels.

The Rocky Mountaineer is a world-class travel experience offering over 65 Canadian vacation packages and four unique rail routes. Three train journeys travel through British Columbia and Alberta to Banff, Lake Louise, Jasper and Calgary, and one train excursion goes from Vancouver to Whistler. The trains travel by daylight through the wild beauty of Canada's West and are the best way to experience the majestic Canadian Rockies.

Dianna Paridon of Brentwood Travel recently experienced a Rocky Mountaineer journey. She says, "There's nothing like taking a train right through the middle of the Rockies. You see everything that you would

miss when going by air or on the highway." Highlights from Dianna's trip included a thrilling helicopter ride over the edge of the Rockies, a ride on the Banff gondola, and stops at Lake Minnewanka and Lake Louise. However, Dianna's favorite part was the luxurious train ride that sliced through the landscape: "The service was awesome, and the scenery was unbelievable! It absolutely exceeded my expectations."

As you travel through the wilderness, you certainly won't be "roughing it." The delicious meals onboard your Rocky Mountaineer train have an emphasis on locally sourced ingredients and regional cuisine. Dedicated hosts will make sure you never go thirsty as you are taking in the sights. Local craft beers and regional wines, liquors and spirits, as well as many nonalcoholic choices are always available. You'll travel in modern dome railway cars with reclining seats and drop-down tables. There is a restaurant, open-air viewing platform, restrooms, and even wheelchair lifts. The fare includes hotel accommodations at your overnight stops.

While a **ROCKY MOUNTAINEER** train experience is a wonderful vacation opportunity on its own, it is a perfect pre-

# RIVER CRUISING...A BETTER WAY TO EXPLORE

Nothing compares to the river, and a **VIKING RIVER CRUISES** journey makes it even more special. Where else but on the river can you cruise into the heart of the world's greatest cities and towns, and discover the true nature of the land? Comfortable and convenient, river cruising offers a greater variety of destinations that you could not encounter any other way.

The unique design of the Viking Longships allows you to select from a variety of fabulous accommodations. From spacious Veranda staterooms and French Balcony staterooms with a sliding glass door, to the two-room Veranda Suites, all offer casual comfort and excellent river views. Or, choose one of two stunning Explorer Suites with wraparound verandas providing 270-degree views.

On the Aquavit Terrace, a glorious outdoor seating area, you can have a

casual meal, meet friends for a drink or relax with a book – all while enjoying the breathtaking views along your journey. Viking's "Taste of..." events introduce you to the food and drink of the region you're exploring. Lounge areas, bars and a well-stocked library offer plenty of room for relaxing with 24-hour cappuccinos, coffee or tea, and wireless Internet – all complimentary.

Daily shore excursions include must-see highlights and delightful surprises. Expertly guided tours bring you closer to the art, architecture, history and people of the land. Watch a local German glassblower or learn about French Impressionism. Take a shopping trip to the local market and meet the fine food and wine purveyors. Walk through the door of a centuries-old cathedral or visit a contemporary art museum. Have you yearned to visit the vaults of the famed Hermitage Museum? Attend a classical concert in Vienna? Enjoy a Tang Dynasty dinner show in Xian? A Viking Cruise Director can organize a variety of optional tours for you.

# EXPERIENCE SOUTH AMERICA...LIKE A NORWEGIAN!

Looking for something a bit more exotic for your next cruise?

**NORWEGIAN CRUISE LINE** invites you find new places that are far beyond your imagination in South America.

Your trip begins in the picturesque port of **Valparaiso**. It was built in the 16th century on 43 hills, which are reached by narrow windy streets and staircases. This area has been recognized by UNESCO for its eclectic architecture and urban development. Stop by the Pablo Neruda Museum, which overlooks the bay with unbeatable views of the sea, and the museum contains some of the poet's collections.

**Santiago**, the nation's capital, is a modern city with something for everyone. Shopaholics can stroll down Alonso de Cordova Boulevard for elegant shops with high-end brands, or head to the Bellavista district to find local pieces. History buffs should visit La Moneda, the presidential

palace that served as the official mint during the colonial era.

If you love wine, look no further for your reason to visit. Chile's central region was the birthplace of the nation's first vineyards. In Chile's wine country you'll find award-winning vineyards. The Casablanca Valley was once named the Wine Capital of the World!

What's new, **Buenos Aires**? "The Paris of the South" combines old world charm with modern energy. Historic architecture sits near modern high-rises, while upscale shops parallel bohemian neighborhoods. Explore La Boca, famous for its multicolored tin houses and colorful bars. Local artists display their crafts while musicians perform in the streets. You must experience the tango – take a class, watch a performance, or go out and dance in one of the many clubs that make up this city's rich nightlife.

At Plaza de Mayo, the city's main square, you'll see the Casa Rosada (the Presidential Palace). From the balconies of the "pink house" famous politicians have preached to throngs of Argentines. Madonna famously sang "Don't Cry for Me, Argentina" from those balconies while portraying Eva Peron.

# EXPLORE THE RIVERS OF AMERICA

**B**rentwood Travel is excited to introduce you to **AMERICAN QUEEN STEAMBOAT COMPANY** and their “Uniquely American River Cruises.” If you have been on a river cruise, you’ll be thrilled to know that wonderful experience can now be yours right here in the U.S. If you have never experienced the pleasures of a river cruise, let us introduce you to its many benefits.

You unpack once and settle into the comfort of your stateroom onboard these American-flagged boats. Classically furnished staterooms have every modern convenience, and an all-American crew. You’ll be carefully looked after by your personal attendant. The Mark Twain Gallery on the *American Queen* has one of the most expansive collections of Tiffany glass in existence.

Recorded by the Guinness Book of World Records as the largest riverboat ever built, the *American Queen* carries

about 400 guests, a fraction of what deep-sea cruise ships carry. The *American Empress*, carrying just over 200 guests, is the largest river boat west of the Mississippi. From this vantage point, you can enjoy the splendor of the Antebellum South or see the natural beauty of the upper Mississippi or the Pacific Northwest, all while learning more about America’s history and culture.

These river cruises include pre-cruise deluxe hotel stays, shore excursions in every stop, brilliant entertainment and luxurious onboard amenities. We suggest that you turn your cruise into a complete package with a pre- or post-cruise stay. Spend an extra day or two (or more) in the city at the beginning or end of your cruise. These are usually the largest cities in your itinerary, offering so much to see and do.

For example, in Memphis you can hear jazz on historic Beale Street, see Elvis’ Graceland and indulge in delicious Memphis BBQ. A visit to New Orleans wouldn’t be complete without a stroll through the French Quarter, a carriage ride through the Garden District or a visit to the National WWII Museum. Of course, you must sample some Cajun cooking!

## NEW WAYS TO SEE THE OLD WORLD

It's easy to fall for the allure of Northern Europe, where you'll discover some of the most astonishing cities on Earth.

Spend a relaxing afternoon in Copenhagen, strolling around the canals that lace the city. Be a kid again at Tivoli Gardens with the world's highest carousel and oldest wooden roller coaster. If you are into literature, visiting the Kronburg Castle (made famous by Shakespeare's "Hamlet") and the famous statue of Hans Christian Andersen's Little Mermaid will be a highlight for you.

A tour of Stockholm is made for history buffs. Visit the Vasa Museum and see the only preserved 17-century ship in the world, decorated with hundreds of carved sculptures. Get lost in The Royal Palace, which has over 600 rooms and several museums. After a day of sightseeing, head over to the Stockholm Ice Bar to unwind. At a crisp 23°F all year round, the interior

(down to the drinking glasses) is made of ice from the Torne River in northern Sweden.

Oslo has something for everyone. If you're a sports buff, don't skip a visit to Holmenkollen, the site of the 1952 Olympic ski jumping. Or, if you're more into artistic experiences, make sure you see "The Scream" by Edvard Munch at the National Gallery.

The centerpiece of your cruise, St. Petersburg, is one of the world's most beautiful cities. It is the cultural soul of Russia, home to priceless art, poets, musicians and composers. You'll be awestruck by your visit to the Hermitage Museum, home of over three million artworks, including paintings by Da Vinci and Rembrandt. At Peterhof Palace, keep an eye out for the Grand Cascade fountain that features Samson prying open a lion's jaws. St. Isaac's Cathedral's central gold dome, covered with 220 pounds of gold will dazzle you.

PRINCESS CRUISES has introduced "The Come Back New Experience" – a series of onboard initiatives and innovations to provide you new and enriching experiences. With their Discovery™ Recommended excursions,

## RIVER CRUISES WITH A TWIST

The popularity of river cruises is increasing all the time because they are a luxurious, intimate and hassle-free way to really see a country. Travel through the heart of the country, docking in the center of metropolitan capitals and quaint villages. Access the inland areas the big ships can't get to.

Imagine combining your special interest or hobby with a cruise vacation. What's your passion? Are you an art lover, a gourmet cook, or someone who loves to dance? Perhaps you are a history buff or a dedicated patron of the arts.

The hot trend of theme cruises has now been expanded to river cruises, appealing to travelers of every age and lifestyle. In some cases, the entire ship is devoted to a special focus, and in others the program is integrated into the regular itinerary.

AVALON WATERWAYS has a long list of specialized voyages. For example, enter a food-lover's paradise in northern France. An expert chef will dazzle you with regional specialties and food preparation tips. There'll be cider and wine tastings, visits to a distillery and a cheese farm – you'll even come home with easy-to-make recipes!

Wine appreciation cruises also excite a huge number of travelers, and Avalon features four different itineraries that will have a distinguished wine authority aboard. He will teach you the ropes as you visit a wine village and attend tastings to test your new-found talent. These voyages cruise on the Rhone, Rhine, Saone and Danube rivers.

On a Jewish Heritage Cruise on the Danube you'll discover Europe's monuments, museums and traditions significant to Jewish history. Visit the second-largest synagogue in the world in Budapest, Prague's Jewish Museum and Cemetery, and Regensburg's Document Museum. Also explore the WWII Jewish ghetto of Terezin.

Music lovers, there's a cruise for almost every taste. On Avalon's Jazz Cruise, you'll attend the annual Jazz Festival in

A journey through Europe is a fascinating cultural experience on **Celebrity Cruises**, from the treasures of antiquity in the Mediterranean, to the enchanting traditions and fabled fjords of Northern Europe, and the colorful, ornate facades of Russia's grand imperial cities.

## CELEBRITY IN THE MEDITERRANEAN

There isn't another body of water that conjures up romantic visions quite like the Mediterranean Sea. And, when you travel there on a Celebrity cruise ship, you can do it all, see it all and unpack just once – which makes it all the better. Celebrity offers you a choice of 44 Mediterranean cruises on five different ships, ranging from seven to 14 days. These journeys visit a total of 40 destinations and include 37 overnights! No matter what ports you want to visit, Celebrity can take you there.

The cities and villages of the Mediterranean are steeped in historical significance. If you're passionate about mythology and archaeology, Greece is your Holy Grail. The Acropolis and the Parthenon are must-sees, as is the Acropolis Museum. The Plaka is the area of winding streets around the Acropolis. It's renowned for its small shops, restaurants, and some good examples of local domestic architecture. While in

Athens, compare the new Olympic Stadium with the old, built to host the first modern Olympic Games in 1896.

The history of Turkey, its victories and defeats, have influenced the development of the Western world, its art, culture, religion and government in numerous ways. In Istanbul, explore the ancient Hippodrome and the Blue Mosque. Revel in the beauty of the St. Sophia Museum and Topkapi Palace. Soak in the culture while browsing local wares with a visit to the Spice Bazaar and Grand Bazaar.

In Alexandria, Egypt, enjoy a city more Mediterranean in flavor than Middle Eastern. The setting for the stormy relationship between Cleopatra and Mark Antony, Alexandria was the center of learning in Ancient World, and its magic can still be felt.

Celebrity Cruises' Mediterranean voyages take you to the some of the most interesting and romantic places in Italy. In Venice, a great way to capture the pulse of the city is on a narrated water-taxi tour

through the Venetian canals. Relaxed sightseeing is at its finest when you drive from Naples up the Amalfi Coast, one of the most breathtaking stretches of road in the world. While in port in Sorrento, you might choose to travel to Pompeii for the day. This is considered the world's finest example of an ancient Roman town, and you'll be amazed to see the shops and homes literally frozen in time by the devastation of the eruption of Mt. Vesuvius in 79 A.D.

In Valletta, Malta you'll want to spend time in the walled city of Mdina, dating back to pre-Roman times. Interestingly, several of Malta's aristocratic old families still discreetly live there in enclosed palaces.

# JOURNEY INTO THE HEART OF ITALY

There is truly no place on earth quite like Italy – the food alone would be worth the trip. Of course, Italy offers so much more. This is the birthplace of the European Renaissance, and the home of some of the most exquisite art and architecture on earth.

A river cruise allows you to see the interior of Italy up close and personal...its towns and cities, its people and its heritage. The **UNIWORLD BOUTIQUE RIVER CRUISE COLLECTION** includes a spectacular cruise/tour combination that begins in Venice and ends in Rome, with cruising on the Po River and stops at wonderful Italian destinations.

William Shakespeare transports us to **Verona** in his play about two local star-crossed lovers, Romeo and Juliet. Visitors there see architectural treasures ranging from an ancient Roman amphitheater still

in use, to the Piazza d'Erbe with its 14th-century fountain. You may even stand below the Juliet balcony just as Romeo did.

**Ravenna**, the Italian capital of the Byzantine Empire, is known for the 5th- and 6th-century mosaics that adorn its churches. While there you might stroll through the lovely historic downtown or discover the delicious results of Italy's "Slow Food" movement in the Medieval village of Brisighella with an idyllic lunch at an olive oil mill.

In **Venice**, take Uniworld's exclusive "Do as the Locals Do" immersive walking tour through the Dorsoduro districts and the Rialto, the city's historic core where the Rialto Market stretches along the Grand Canal. As you stroll among the stalls of local foods and specialty goods you'll feel the authentic market experience. Then sail through the scenic Venice Lagoon.

Your luxury Uniworld river cruise is value-packed, including all meals onboard, complimentary fine wines, beer and soft drinks. Shore excursions are fully hosted by English-speaking guides, and you are provided with state-of-the-art portable audio headsets.

# IN PERFECT HARMONY – HOLLAND AMERICA'S NEWEST SHIP

The excitement is building in anticipation of HOLLAND AMERICA LINE's *ms Koningsdam*, which will debut in April 2016. This 2,650-guest vessel will usher in HAL's new Pinnacle-class cruising. She will spend spring and summer in Europe, then move to the Caribbean next October.

The luxurious and creative interior of this magnificent ship is inspired by music. Soaring three decks high, the Atrium is graced by stainless steel sculpture inspired by a classical quartet – strings, bows and arches – and appears to change as you move around it.

Speaking of music, Holland America knows that you want to spend your evenings being entertained, and *ms Koningsdam* delivers! *Music Walk* includes three stages that each present a variety of live music nightly. They have partnered with Lincoln Center to bring you the *Lincoln Center*

*Stage*, showcasing outstanding musicians who perform chamber music each evening, as well as afternoon recitals during leisurely days at sea.

*Billboard Onboard* showcases the talents of lives who take turns performing shows centered on interesting facts and figures of the music industry. Between songs, you can sing and play along with trivia questions. *World Stage* is the most innovative theatre at sea. At two stories high and 250 feet long, high-definition LED screens with state-of-the-art lighting, projection and sound systems enable the environment of the *World Stage* to change throughout the day to present anything imaginable.

At the reimagined *Culinary Arts Center*, you have the option of watching a cooking demonstration or joining a chef at an individual cooking station during the day. In the evening, the chefs go "on-stage" and prepare farm-to-table dishes in an open kitchen. Every meal emphasizes fresh ingredients harvested from the ship's onboard garden.

Imagine...you can create your own wine at *BLEND* by Chateau Ste. Michelle while the ship's sommelier teaches you the "ins and outs" of wine.
