## SELECTING THE PERFECT CRUISE

Stephanie Turner, CTC  
President, Brentwood Travel

Travel – it’s not just about the destinations and amazing sights we see, it’s about the people we meet along the way. It’s the reason why cruising is such a wonderful option. In addition to seeing the world in a safe and comfortable environment, cruising offers you the chance to meet people both onboard and at the destination.

### Cruises Aren’t “One Size Fits All”

Every cruise line has its own personality. There are large ships with high energy and production shows, adventure on and off the ship, spas,

fitness centers and amazing activities and venues. There are small, intimate ships, attracting those who like the feeling of a boutique hotel or sailing on a private yacht. Dining is at your leisure; service levels and amenities are superior and you visit unique ports of call. A river cruise offers you the chance to connect with others. These small ships take you through interior regions of towns and villages so you can explore and meet local people.

Combine your cruise with tours on land. Cruisetour packages are very popular in Alaska, and are perfect for Europe, the Orient and South America with pre- and post-cruise stays. This way

you meet those traveling with you as well as locals in each area.

### Fit a Cruise to Your Lifestyle

From casual style to more formal and extravagant entertainment, to interesting lecturers and classes, large formal dining rooms and causal buffets, to specialty restaurants – we’ll help you choose which ship fits your lifestyle and pocketbook. Plus, you meet people who share your common interests.

### All You Need Is at Cruise Expo

Confused about what’s right for you?

Looking for somewhere exciting and different? We’re the experts on ships and destinations...we understand your needs. Meet 18 cruise line representatives at CRUISE EXPO, January 20-22, 2017. Since our first Expo 27 years ago, we’ve planned cruise vacations for over 18,000 clients. I always love to meet each of you. We really do care about you and appreciate your business. So do yourself a favor: visit us at Cruise Expo and let us send you on the best vacation you’ve ever had – you’ll be glad you did!

# TRUE SAILING IN THE MEDITERRANEAN

Put aside what you've heard about Mediterranean cruises on large ships, and let's talk about SAILING the Mediterranean! You may ask, "What's the difference?"

Imagine yourself on a beautiful **STAR CLIPPERS** mega-yacht with tall masts and real sails. If you are a sailing enthusiast, or even a novice, you're encouraged to participate in the sailing process, either helping with the lines or actually taking the helm...certainly an experience to remember. Star Clippers' itineraries maximize your time under sail. They emphasize ports of call with minimal distances in between, which often makes it possible to stay overnight and enjoy nighttime experiences ashore.

But it's not only about adventure; it's also about indulgence and relaxation. Onboard you'll enjoy a laid-back environment, friendly

staff, and international cuisine, all in complete comfort. Decor throughout the ship is nautical, with rich varnished woods and deep blue carpets and upholstery. All hanging art relates either to ships or the sea – usually both in the same painting.

The atmosphere onboard is elegantly casual with no formal dress code, so you will have left your jacket, tie and cocktail gown at home. There are no rigid schedules, so you can enjoy your voyage your way. If you're a sailing enthusiast, lend a hand hoisting sails or climbing the mast. If relaxation is your goal, just lay back and let the crew do all the work.

Delicious food from sunup to sundown and beyond...maybe even an outdoor barbecue on shore! Fine culinary presentations at dinner are complemented by equally fine wines. The service throughout the ship is dedicated to meet your every need.

Star Clippers tall ships take you to some of the most fascinating ports in the Eastern and Western Mediterranean...places larger ships just can't go. Remote islands, towns with old-world charm, vibrant ports without noisy crowds, dream-like beaches where nature is at its best. You may not have heard of many of the places they stop, but you'll surely never

Imagine yourself on a cruise where everything is taken care of from the moment you step onboard. As one of the only truly all-inclusive cruise lines, **REGENT SEVEN SEAS CRUISES** believes that you deserve it all.

Regent is famous for their incredible, world-class dining, and while onboard you'll find that nothing is off-limits. Their open-seating restaurants invite you to eat whatever, whenever, and with whomever. From the attentive wait staff to the knowledgeable sommelier, the impeccable service is almost as fantastic as the cuisine!

There are plenty of onboard activities to fit every style of cruiser, and most are included in your fare. Regent's partnership with Smithsonian Journeys allows you to immerse yourself in your destination before you even

arrive. Experts ranging from historians to authors will lead Q & A discussions that focus on the regions you'll be visiting. After a day of learning about your next port (or unwinding at the Canyon Ranch SpaClub), spend the evening mingling over cocktails in a piano bar or applauding an upbeat musical revue.

Only Regent offers free, unlimited shore excursions in every port of call, letting you take as many excursions during your cruise as time (and your feet) will allow. Enjoy a wine tasting at a delightful old country wine estate in Elba. Ascend Mount Etna near Sicily and marvel at one of the world's most renowned active volcanoes. Explore the Emerald Grotto on the Amalfi Coast, full of oddly shaped stalagmites and stalactites and stunning green water.

Want to delve a little deeper? Regent Choice Shore Excursions offer one-of-a-kind experiences in smaller groups. Exclusive opportunities range from a private tour of the Vatican to entering off-limit areas when visiting the world's largest collection of Ferraris.

It's the little things that bring your whole trip together. When the Wi-Fi is unlimited and the gratuities are pre-paid, there's not much left to worry about. It's easy to get spoiled when your mini-bar is always replenished, the bars and lounges are always

Discovering new destinations, understanding different cultures, experiencing history firsthand and making genuine connections with local people. Aren't these the reasons you decide to take a touring vacation? At the same time, you want to travel in style, enjoy delicious local cuisine, and stay in fine hotels. Look to **INSIGHT VACATIONS** for all this and more, with a vacation perfectly suited to your personal touring style.

Let's say for your next vacation you would like to see several countries, just hitting the highlights of each – but, you have special interest in France. An Insight Discovery Journey would be your perfect way to explore Europe. European Breakaway covers the must-sees in France, from the Champs Elysées to the Arc de Triomphe and the Eiffel Tower. Plus, you'll also visit the top spots in England, Belgium, the

Netherlands, Germany and Switzerland.

If your focus is more specific, Insight's Regional Experiences cover less ground while immersing you in the destination with more Insight Signature Experiences. For example, the Normandy, Brittany and the Loire Valley tour touches on the famous landmarks in France, but also offers many more in-depth experiences. You'll not only visit the beaches of Normandy, but you'll spend time with a Local Expert at the American Military Cemetery. Then, take a guided tour through the maze of halls and vaults of the massive abbey on Mont-St-Michel.

Insight offers itineraries that focus on special interests. In France, the World War I Battlefields tour is an incredible vacation for the true history buff. This poignant trip through northern France takes visitors to war cemeteries and memorials.

No matter which tour you select from **INSIGHT VACATIONS'** collection of

## THE 'JOY OF LIVING' IS HERE

The newest ship to cruise the Seine River in northern France makes her debut this spring. **UNIWORLD BOUTIQUE RIVER CRUISE COLLECTION** has added *S.S. Joie de Vivre* to its magnificent fleet.

This ship reflects the French "joy of living"

philosophy and an appreciation for food, wine, art and music. French-inspired handcrafted furniture with rich fabrics, antiques, art, gilded and wrought-iron accents mix with every modern-day convenience you could want. You'll relish the spacious, yet intimate

ambience with no more than 128 guests onboard.

*S.S. Joie de Vivre* has

unique entertainment areas rarely found on river cruise ships. The Salon de Beaux-Arts lounge

showcases a collection of fine art and antiques curated from auction houses, such as Sotheby's and Christie's, as well as private collections. Le Club l'Esprit is complete with a cinema and a surrounding pool with a hydraulic floor, which can turn into a dance floor or outdoor cinema at night! Dining venues

include Le Restaurant Pigalle and La Cave de Vins, a vinoteque for private dining and wine-pairing dinners. Like all Uniworld ships, she features farm-to-table cuisine and superb local wines.

Suites and staterooms have custom made-to-order Savoir of England beds with unique headboards of various designs and marble bathrooms. *Joie de Vivre's* two Royal Suites and eight Junior Suites were designed with their own signature style and feature enhanced amenities and services, including butlers trained to the same exacting standard as those serving Buckingham Palace.

*S.S. Joie de Vivre* sails the popular "Paris & Normandy" itinerary, and her size allows for convenient docking in the heart of Paris. Imagine how convenient and exciting that makes your Parisian holiday! This journey also includes visits to Giverny, Honfleur, Rouen, the Normandy Beaches and Versailles.

The **UNIWORLD RIVER CRUISE** value is found in its truly all-inclusive pricing, which includes scheduled

airport transfers; all gratuities onboard and onshore; port charges; all meals with unlimited beverages, including superb local wines, craft beers, premium spirits; daily guided shore excursions; in-suite butler service; concierge services; 24-hour room service; and Wi-Fi.

**While you're at Cruise Expo, Nicole will be happy to tell you all about *S.S. Joie de Vivre*, and each of Uniworld's other ships and voyages.**

# THE VIKING DIFFERENCE – AT SEA AND ON THE RIVERS

*Viking, the company that changed the face of river cruising with uniquely designed longships, has now emerged on the cruising scene at sea with their award-winning ocean ships. Their inclusive cruise itineraries are designed to help you explore your destination in depth: its food, culture, people and customs – whether by river or by sea.*

## RIVER CRUISING WITH VIKING

A river cruise is the perfect way to explore the interior of any country or region. Where else but on the river can you cruise into the heart of the world's greatest cities and towns, discovering the true nature of the area? Comfortable and convenient, river cruising offers a greater variety of destinations than you could encounter any other way.

The design of the Viking longships allows you to select from a variety of fabulous accommodations. Spacious Veranda staterooms, French Balcony staterooms with a sliding glass door, and two-room Veranda Suites all offer casual comfort and excellent river views. Two stunning Explorer Suites with wraparound verandas provide 270-degree views.

On the outdoor Aquavit Terrace you can have a casual meal, meet friends for a drink or relax with a book – all while enjoying the breathtaking views along your journey. Viking's menu selections include regional dishes and contemporary cuisine with a variety of flavors designed to suit any palate. The fun-filled "Taste of..." events introduce you to the local food and drink. Lounge areas, bars and a well-stocked library offer plenty of room for relaxing with 24-hour cappuccino, coffee or tea, and wireless internet – all complimentary, of course.

Daily shore excursions include must-see highlights and delightful surprises. Expertly guided tours bring you closer to the art, architecture, history, and people of the land. Watch a local German glassblower or learn about French Impressionism. Take a shopping trip to the local market and meet the fine food and wine purveyors. Have you yearned to visit the vaults of the famed Hermitage Museum? Attend a classical concert in Vienna? Enjoy a Tang Dynasty dinner show in Xian? A Viking cruise director can organize a variety of optional tours for you.

**VIKING RIVER CRUISES** offers journeys to Europe's capitals in Germany, Hungary, Austria, Switzerland, Netherlands, France and Belgium...plus Russia, China and Southeast Asia!

## THE VIKING OCEAN EXPERIENCE

Since Viking Ocean Cruises introduced their first ships, *Viking Star* in 2015 and *Viking Sea* in 2016, critics and guests alike have been raving about them from bow to stern and in-between! And, you can look for *Viking Sky* and *Viking Sun* this year!

With just 930 guests, Viking Ocean's elegant ships bring you closer to the world's cultures as you cruise to intriguing and often little-known ports that large ships just can't reach. From prime, central berths in the world's great cities and in seldom-visited ports, enriching discoveries are just a short walk from your ship. You'll enjoy ample time ashore, many overnight stays, and an included excursion in each port of call.

These intimate ships reflect the comfort and understated contemporary elegance Viking is known for. Choose from five stateroom categories, all with private verandas and premium

amenities that include king-size beds with luxury linens, large showers, luxury toiletries, heated bathroom floors and large interactive flat-screen LCD TVs with movies-on-demand.

Viking puts the spotlight on fine dining, offering regional specialties and American classics. The Restaurant serves the widest choice of options at all three full meals. Or dine in the alternative restaurants, the World Café, The Chef's Table and Manfredi's Italian Restaurant – all outstanding culinary experiences.

The Culture Curriculum, Viking's exclusive onboard program, offers informative lectures on history and art, tastings of regional food and wines, and enriching Destination Performances featuring folkloric shows and musicians. Learn how to prepare local specialties at the onboard cooking school, or enjoy the wonderful collection of books in the Library.

Every amenity on Viking's ships goes just a step beyond the ordinary. For example, the Spa features a Snow Grotto, a sanctuary of gentle snowfall and chilled air! The serene Wintergarden is perfect for a calming cup of tea, or enjoy the Scandinavian-style Explorers' Lounge and Mamsen's gourmet.

**VIKING OCEAN CRUISES** gives you the small ship experience with big values. Included in your fare are all onboard meals – no additional charge for the reservation restaurants; a shore excursion in each port; shipwide Wi-Fi; 24-hour room service; wine, beer and soft drinks at lunch and dinner; and so much more. Discover everything wonderful about these remarkable new state-of-the-art ships on a journey to just about anywhere in the world.

## TWO GREAT VACATIONS IN ONE

When it comes to family vacations, two of the most popular would be a fun-filled cruise and a visit to an exciting theme park. Now, you can combine them both in the most unforgettable vacation ever!

**ROYAL CARIBBEAN** has teamed up with **Universal Orlando Resort** for an exclusive package that can't be found with any other cruise line. Combine a few days' stay at Universal Orlando Resort with an Eastern or Western Caribbean cruise sailing in and out of Orlando on one of the world's most innovative ships.

An Eastern Caribbean itinerary lets you hike the dormant volcanoes in St. Kitts, learn to sail in St. Maarten, or explore a mangrove pool in St. Thomas. Western itineraries offer snorkeling in the clear-blue water around Cozumel's coral reefs, history lessons about the ancient Mayans

in Costa Maya, or an adventurous climb up Dunn's River Falls in Jamaica.

Both voyages visit Labadee, Royal Caribbean's private island in Haiti. Paddle through the bay on a kayaking tour and take in the breathtaking surroundings while you learn a bit about Haitian culture. Adventurous travelers can race down the Caribbean's longest overwater zip line, soar 400 feet above the island on a parasail ride or catch amazing views of the beach at 30 mph on the Dragon's Tail Coaster.

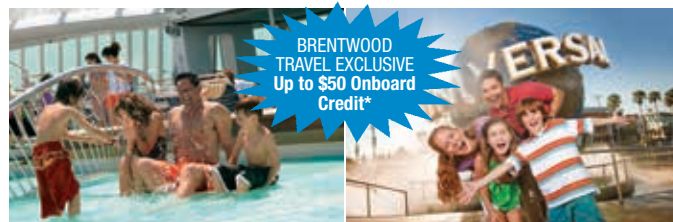

When you stay in a Boardwalk or Park View Balcony stateroom on an Oasis Class ship, your cruise includes the complimentary value-packed "Eat-Drink-Play," which includes extras like food, drinks and activities choices.

This unique sea/land package extends your cruise vacation with two awesome theme parks, Universal Studios Florida and Universal's Islands of Adventure. Included are on-site hotel accommodations, park admissions and airport/Universal Orlando Resort/Royal Caribbean pier transfers, and more.

Your family can help Spiderman save the city, watch the Minions get in trouble on their new 3-D ride, and then grab a butterbeer before checking in with Harry Potter and his

There are few places where history meets beauty, art meets commerce and landscapes meet architecture as much as in the countries of Northern Europe, Scandinavia and the Baltic.

The wealth of Russia is on glittering display in St Petersburg, and the awe-inspiring fjords of Norway will take your breath away. History comes alive in the architecture of Latvia and Estonia, and in the museums of Lithuania and Germany. In Holland, the Dutch passion for flowers, windmills and art will inspire your imagination. Savor chocolates in Belgium or a fine glass of wine in Bordeaux, and live like royalty among the enchanting trappings of history.

Get to know the thousand-year history of Gdansk, Poland, one of the most beautiful ports on the Baltic. Look Neptune, the god of the sea, in the eye and wave at "the lady in the window." Take a walk down the Long

Market and call at Artus Court, an impressive home built in the 16th century.

Helsinki, Finland's capital and cultural center, is known as "Daughter of the Baltic." Founded in the 1500s and built on a peninsula surrounded by hundreds of islands, this city provides a stunning example of modern architecture and design.

Tallinn, Estonia perfectly combines the comforts of the modern world and a rich cultural scene with the historical setting of a city built in the medieval era. Trendy neighborhoods rub elbows with historic Old Town.

Everyone loves visiting Amsterdam with its colorful homes, canals and bridges. It is one of Europe's most picturesque, and fun, capitals. Must-see's are the Anne Frank House, Van Gogh Museum, and the world's only floating flower market. Rent a bike and join thousands of locals navigating Amsterdam's labyrinthine streets, or just take in the sights on foot.

These are just a few of the fascinating stops on an OCEANIA CRUISES voyage in Northern Europe. You'll see the best of Scandinavia with their port-intensive itineraries, extended evenings and overnight stays. Enjoy the finest cuisine at sea and distinctive gourmet restaurants at no

# SPECTACULAR ALASKA

To get a true picture of Alaska, you need to fully experience its interior...the culture, the people, the cuisine, the landscape and the wildlife. That's why a cruisetour – a combined land and cruise experience – is so fantastic.

**PRINCESS CRUISES** does Alaska up-close and personal with their award-winning land excursions. Denali Princess Wilderness Lodge will serve as your base camp while exploring Denali National Park. At 20,310 feet above sea level, Denali is the highest peak in North America. Caribou, moose, wolves, Dall sheep, bald eagles, and grizzly bears all call this area home. Float or jet-boat down the Nenana River, play 18 holes under the Midnight Sun, or get a bird's eye view from a thrilling flightseeing tour. Princess has it covered.

Ketchikan began its life as a native fishing village, and because of its abundance of salmon is now a sport-fishing paradise. Visit the Totem Heritage Center and see the world's

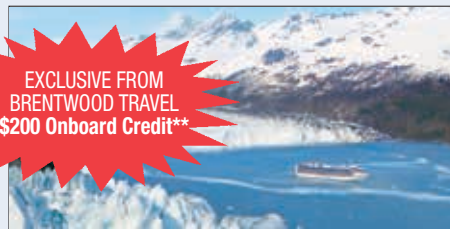

oldest collection of totem poles, telling stories about Native Alaskan culture. While passing through the Alaska Rainforest Sanctuary, you may see a native master carver at work.

All aboard! A vintage gold rush-era train through the Yukon Territory gives passengers a taste of history. Experience the Alaska gold rush for yourself by meeting local miners at an authentic mining camp and trying your luck at gold panning. Combining your memorable land tour with a Princess cruise creates the ultimate Alaska experience. Cruise breathtaking Glacier Bay National Park, a UNESCO World Heritage Site, and watch colossal chunks of ice drop into the sea. Onboard park rangers will help you spot and identify Glacier Bay's abundant wildlife, including whales, sea otters, porpoises, harbor seals, black bears and bald eagles.

Princess Cruises has partnered with Discovery Channel and Animal Planet to bring you "Discovery at Sea," exclusive shore excursions designed to truly show you the best

that the region has to offer. Watch real-life lumberjacks in action, dine on fresh seafood, and meet Alaska's next sled dog class.

# MAKE HISTORY IN SCANDINAVIA

On a fascinating Baltic cruise, you'll find yourself immersed in history. You may begin in Copenhagen, and we recommend spending a couple of days before the cruise. One of Scandinavia's most cosmopolitan cities, Copenhagen is a blend of modern architecture and historic artifacts such as the 17th century Round Tower observatory. It's a city of art galleries, narrow streets, canals, and Baroque churches side by side with some of Europe's finest shopping, sightseeing, dining and nightlife.

Today's Berlin is a bustling, architecturally magnificent city, where you see firsthand the sites where history unfolded. A tour of Berlin brings many moving and thought-provoking experiences, from a visit to the Berlin Wall Memorial and Brandenburg Gate, to a stop at the former Nazi Concentration Camp at Sachsenhausen.

Medieval meets modern in Tallinn, the capital of Estonia. It offers many boutiques

and cafes, but during a trip into Old Town you can find a 13th century castle, a 15th century apothecary shop, and the beautiful 18th century Kadriorg Palace.

Bring a jacket when you stop in Helsinki... it gets a little chilly! A city tour takes you from the bays and along the coastline to landmarks such as the Presidential Palace and the Uspenski Cathedral, the largest Orthodox Church in Western Europe. Visit Olympic Stadium, which has seen performances from Michael Jackson, U2, Madonna, and Bruce Springsteen!

A Baltic cruise wouldn't be complete without a visit to St. Petersburg, which was the capital of imperial Russia for nearly 200 years. You'll absolutely marvel at the architectural splendor of its cathedrals, churches and palaces. A highlight is the world-renowned Hermitage Museum. With an overnight stay, you'll have two days to soak in the riches of St. Petersburg.

**NORWEGIAN CRUISE LINE** invites you to experience the hidden treasures of Northern Europe, while unwinding with their famous Freestyle Cruising aboard the Norwegian Getaway. Specialty dining options include the Blue Ocean seafood restaurant and a Brazilian steakhouse. Enjoy top-notch entertainment, from Broadway-caliber performances such

## CRYSTAL CRUISES – IN A CLASS BY ITSELF

The luxury ships of **CRYSTAL CRUISES**, *Crystal Serenity* and *Crystal Symphony*, are famous for their exquisite design. And with under 1,100 passengers, you'll never feel crowded.

Luxurious staterooms feature spacious marble baths, generously sized walk-in closets, the finest bedding and complimentary champagne. Large private teak decks offer expansive views of the sea.

Gourmet delicacies, vintage wines and innovative menus are served by tuxedo-clad wait staff. Sumptuous buffets are served along teak-lined pool decks, and course-by-course dining is available in the comfort of your suite.

Highly personalized service is the hallmark of the Crystal cruise experience, and the favorable staff-to-guest ratio means someone is always at your disposal...greeting you warmly by name, taking pride in anticipating your every need. Personal butlers are also available. Both Crystal ships feature a casino and an award-winning spa, salon and fitness center.

### CRYSTAL ON THE DANUBE

Those who have experienced Crystal luxury have longed for the chance to cruise Europe's rivers in the same style. That's now possible on the magnificent *Crystal Mozart*, an all-suite, butler-serviced river yacht that sails the Danube River, round-trip Vienna. There are four creatively different itineraries exploring the breathtaking cities and towns along this legendary river.

*Mozart* accommodates 160 guests, with the same high guest-to-crew ratio and exceptional service found on every Crystal ship. Multiple dining rooms, a wraparound promenade, a luxurious spa and fitness center, a beauty salon and an indoor pool are all yours on *Mozart*. In addition to the onboard culinary excellence of celebrated chefs, Crystal can even arrange for you to dine on shore at a local Michelin-star restaurant.

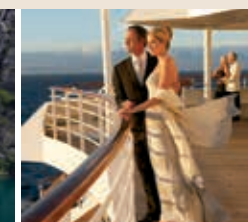

Whether cruising on the ocean or the river, you may be surprised at the savings a luxurious Crystal voyage offers when compared to a contemporary or premium sailing. **CRYSTAL CRUISES** includes benefits and perks in your fare that other kinds of cruise lines charge extra for: alcoholic and non-alcoholic beverages, gratuities, specialty

dining, Wi-Fi and more.

We think you deserve to experience the All-Inclusive Luxury of a Crystal cruise to Europe, Southeast Asia, the Baltic Sea, the Panama Canal, New England, Canada, Europe, the Mediterranean, the Caribbean and South America – or now on the Danube River.

# CANADA & NEW ENGLAND – HISTORIC AND PICTURESQUE

Thinking of a cruise in 2017 that's not too far from home? Consider what you'd be getting on a Canada/New England cruise: visits to bustling cities, harbor towns, and breathtaking coastlines. The fall foliage tours are spectacular!

Beautiful Quebec City can fool you – French is the main language, and in Vieux-Québec (Old Quebec), a UNESCO World Heritage Site, the stone buildings and narrow streets have the feel of Europe. Be sure to visit the iconic towering Château Frontenac Hotel and the imposing Citadel of Québec. The Petit Champlain district's cobblestone streets are lined with bistros and boutiques.

In Canada's smallest province, Prince Edward Island, you'll find the picturesque house that inspired the novel (and soon-to-be Netflix series) "Anne of Green Gables."

Halifax, built on one of the world's great natural harbors, boasts landmarks like Pier 21 (Canada's Ellis Island) and the Maritime Museum of the Atlantic. Sail along the coastlines of Nova Scotia with sights of the restored German village of Lunenburg. Whether you're watching for storybook lighthouses or beluga whales, keep your camera out and ready!

The famous coastal scenery of Bar Harbor, Maine has attracted and inspired painters since 1840. Standing at the summit of Cadillac Mountain, you're at the spot where sunlight first touches the U.S. each day. After walking the streets of town or exploring Acadia National Park, unwind at a lobster bake.

For a real history buff, there is no place like Boston, the heart of the American Revolution. Boston's Freedom Trail traces the path to America's independence, with sights such as the Paul Revere House, Old North Church, the Old State House and Faneuil Hall, the gathering place of the early revolutionaries.

The history-drenched coastlines of Canada and New England are best enjoyed from the comfort of Holland America's famous teak decks. Enjoy the elegant feel of their mid-sized ships, and find out for yourself why their

In the ancient city of Dubrovnik, called the "pearl of the Adriatic," marble streets and finely-carved baroque buildings seem to glow in the sunlight, against a backdrop of majestic cliffs. Take a stroll along the top of the thick, 1.5-mile-long wall surrounding the well-preserved Old City, portions of which date back to the 13th century. Peek into mysteries of the past in Kotor, a UNESCO World Heritage Site steeped in tradition and history on the coast of Montenegro. This walled city, built between the 12th and 14th centuries, is filled with medieval architecture.

The Amalfi Coast is among Italy's most stunning oceanfronts, with a rugged shoreline dotted with small beaches and pastel-colored fishing villages. Two picture-perfect towns along this coast are Valetta, Malta with its

pre-Roman walled city of Mdina; and Corfu, Greece, with whitewashed houses and gorgeous beaches.

Perched on a cliff above the sea is the beautiful resort town of Sorrento. Lots of fine old shops sell the ceramics, lacework and intarsia (marquetry items) that are produced there. You can take a day trip to romantic Capri; or choose to visit Pompeii, destroyed during the eruption of Mount Vesuvius 1,700 years ago and remaining frozen in time.

Mysterious, fascinating Venice is filled with palaces and art, fine shopping and excellent food. Must-see experiences include St. Mark's Cathedral, a romantic gondola ride, and the Rialto Bridge.

Rome is nicknamed the Eternal City, and memories of a visit there will be with you forever. See the perfectly preserved Pantheon, the Coliseum and the Vatican Museums, including the Sistine Chapel with its imposing fresco featuring Michelangelo's "Last Judgment." Breathtaking!

Sail in luxury with **AZAMARA CLUB CRUISES**, enjoying longer stays, more overnights, and complimentary AzAmazing Evenings for local experiences no other line can offer. Onboard gratuities, bottled water, soft drinks, specialty coffees and fine teas,

# CARIBBEAN – NOT JUST A CRUISE...AN EXPERIENCE

**T**he Caribbean Islands boast brilliant sunshine, white sand and the consistency of confectioner's sugar, and refreshingly warm waters. In each port on a Caribbean cruise, you'll find the fabrics of culture, wildlife, cuisine, history and language woven together in a colorful tapestry. However, up close you see that each island has its own unique qualities.

## THE EXPERIENCE

Shore excursions are your chance to see destinations up close, whether you go for the very active, the local color and culture, or a more laid-back experience. **CELEBRITY CRUISES** offers a wide range of shore excursions that make your voyage personal and unforgettable. These samples of shore excursions available on an extraordinary Caribbean cruise aboard the *Celebrity Equinox* are sure to whet your appetite!

In Phillipsburg, St. Maarten, spend the day in opulence aboard a luxurious catamaran in route to a quiet cove, where you'll relax, sunbathe, swim, and snorkel in crystal-clear waters at your leisure. On the way back, you'll sway to the rhythmic sounds of Caribbean melodies while enjoying cocktails and sandwiches.

If you're looking for the experience of a lifetime, schedule a dolphin swim adventure in Tortola, B.V.I. Enjoy a fun and exciting day interacting and swimming with the friendly dolphins as you play, kiss, and sing along with them in their natural habitat. Feel the exhilaration of zipping across the lagoon's waters while holding onto a

dolphin's fin.

Are you up for a real adventure? While in Bridgetown, Barbados, plunge 150 feet below the surface of the sea on a state-of-the-art air-conditioned submarine. You'll see a mysterious sunken ship and the coral reef species that are active at night, while learning about local marine life and habitats from your knowledgeable pilot.

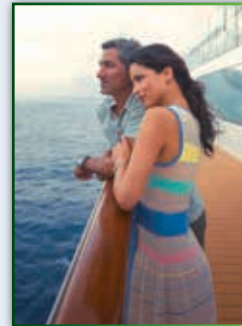

Celebrity makes sure everyone can enjoy time ashore. For example, an accessible and assisted tour in Charlotte Amalie lets guests with disabilities take in the beauty of St. Thomas from a custom vehicle that's fully equipped for limited mobility and wheelchair access. Visit Mountain Top, enjoy spectacular views of the Atlantic coastline, overlook famous heart-shaped Magen's Bay, and see your ship from Skyline Lookout.

## THE SHIP

*Celebrity Equinox* is one of the most elegant ships to cruise the exotic ports of the Southern Caribbean. Carrying 2,850 passengers, she offers a mix of classic Celebrity amenities and unique activities, such as 18 premium retail shops, the half-acre Lawn Club and the Hot Glass Show, where professional artists demonstrate glassblowing techniques.

*Equinox* emphasizes the free feeling of light and beauty. Glass elevators sweep you up through a soaring central atrium, reaching up through 10 decks toward the sun and sky. On the way to the top is a tree, floating in mid-air and soaked in sunlight, and the words "Here Comes The Sun" are written on consecutive balcony walls!

Each traveler, family and group can be accommodated as they prefer on *Equinox*. Family suites feature two bedrooms and one shared bathroom. Among the standard cabin categories, there are 121 that interconnect. Suite passengers have access to a butler, in-room lunch and dinner service, evening hors d'oeuvres, and complimentary espressos and cappuccinos, among other perks. For those with special needs, there are 30 wheelchair-accessible cabins in all categories.

Food is always important to cruises – it's tradition! Do dining your way with Celebrity Cruises. Set times for early and late seatings are available if you wish, but those who prefer more flexibility can opt for "Celebrity Select Dining," between 6:00 and 9:30 p.m. In addition to the Silhouette Dining Room and the Oceanview Café, *Equinox* offers pan-Asian cuisine in Silk Harvest, Italian/American in the Tuscan Grille, and fine continental fare in Murano. Of course, there's a variety of casual options as well.

There's no shortage of entertainment onboard. After-dinner shows play nightly in the *Equinox* Theater. The ice-topped Martini Bar is one of the most popular before-dinner drinking spots, and "healthy cocktails" are found in the Molecular Bar. Unique on *Celebrity Equinox* is a new stage show, "Elysium," an adults-only comedy and music performance that has won awards in Las Vegas. Feeling lucky? Try your hand at the casino.

Don't miss the opportunity to visit with Matt, the **CELEBRITY CRUISES** representative at Cruise Expo. You'll want to learn all you can about the Caribbean experiences on *Equinox* and all of the other wonderful Celebrity voyages and ships.
