STACEY ACREE
EXECUTIVE VICE PRESIDENT

Stacey has been with Brentwood Travel for... well, her entire life! She is a third generation travel expert, and the granddaughter of Robert and Ruth Lurie, our founders. She started by delivering airline tickets and filing papers. After college, she helped write the company newsletter, sold advertising and helped to develop our marketing, and before she knew it she was selling travel. Stacey is a travel industry leader, and was nominated as Travel Agent Magazine's "Top Travel Agent under 30."

SUSAN HAKENJOS
VICE-PRESIDENT & GENERAL MANAGER

Susan has been in the travel industry for over 30 years. She started right after college, when a large incentive company hired her and taught her most aspects of the travel profession. She combined her Finance and Accounting education with her travel background and found a home at Brentwood Travel as the Controller. Since then, she has worked her way up the ladder to the role of Vice President & General Manager! She never wanted to have to choose between her travel knowledge and her love for numbers, so her management role allows her to have the best of both worlds!
