EXPLORE A NEW ADVENTURE ON AN ACTIVE DISCOVERY CRUISE WITH AVALON WATERWAYS

An Active Discovery journey with **AVALON WATERWAYS** introduces you to the people and places of Europe in the most active, engaging and fun ways imaginable. An Active Discovery cruise gives you the opportunity to tailor a vacation to suit your own personal interests and pace. With a broad menu of energetic excursions, you will be able to see new places and do new things.

Are you a hiker, a thrill seeker, a creative genius? Imagine discovering a new hobby or passion during a river cruise vacation.

On an Active Discovery cruise, every port gives you a world of possibilities to interact with locals and choose dynamic, interactive activities that appeal to you most.

Shift from observer to participant in a variety of creative outings along the Rhine and the Danube.

ACTIVE DISCOVERY ON THE RHINE

Stay active with a bike tour along the Rhine River, a running tour through Amsterdam, or a hike along a first-class hiking trail. You may also choose to tour a chocolate museum...sure to entice your sweet tooth! Or, participate in a

unique volcano experience at Mendig, where basalt was mined and tour the labyrinth of mining corridors that became storage cellars for local breweries.

ACTIVE DISCOVERY ON THE DANUBE

Engage in many adventures waiting beyond the shores of the Danube River. Take the chance to explore an ice cave, join in an archery lesson, or help a farmer in his apricot orchard. Descend into an underground salt mine or ascend a mountain during a guided climb. Or, you may tap into your inner Strauss and compose your own waltz and then conduct an orchestra while they perform your musical masterpiece.

Along with these engaging experiences, you will enjoy the same warmth and comfort you should expect during a cruise with Avalon Waterways. Complimentary sparkling wine with breakfast and wine, beer, or soft drinks with lunch and dinner are included onboard your vessel. Bicycles and Nordic walking sticks are available for time on shore, as well as complimentary bottled water available daily. Local guides greet you at every port and bring the customs, cultures and tastes of your destination to life.

The Avalon Fresh menu is just one more reason

why every meal is part of the journey and your Avalon Waterways experience. Guiltlessly indulge in creative dishes that combine surprising flavors with a dash of innovation. With the philosophy of bringing onboard the freshest ingredients from local farms and producers, Avalon Fresh brings the passing landscape to your plate for an inspiring, fulfilling and healthy dining experience.

Travel Consultant Julie Skrainka took an Avalon Waterways cruise in August 2017 and felt that the local traditions of the region came to life during her journey. "I thought Avalon did a wonderful job. The ship was wonderful. The staff on the ship and the tour guides on the ground were very good. I would encourage anyone thinking about a river cruise to go on this adventure!"

Be sure to talk to a Brentwood Travel agent and Robin from Avalon Waterways at the 28th Annual Cruise Expo and find out how to explore the Old World in a new way!

EXPERIENCE THE RHINE VALLEY ON A UNIWORLD BOUTIQUE RIVER CRUISE

Beginning March 2018, **UNIWORD BOUTIQUE RIVER CRUISE COLLECTION** brings art, action and authentic encounters to one of the most fabled river valleys in Europe. The "Remarkable Rhine" is Uniworld's newest itinerary and brings The Netherlands, Germany, France and Switzerland at their postcard-perfect best and dives into local culture and traditions.

Over the course of this nine-day journey, you'll have special access to the art collections of revered museums in Amsterdam, Frankfurt, Cologne and Basel. At the Amsterdam Hermitage, you'll see a treasure trove of Dutch artwork in the most exclusive manner imaginable – a private "Morning with the Masters" tour of the Portrait Gallery. This extremely rare opportunity allows access to these centuries-old masterpieces entirely to yourself. You may also see part of the museum's blockbuster exhibition of Dutch Masters collected by Catherine the Great, an extraordinary show available only through May 2018.

Equally immersive are the seven "Do as the Locals Do" excursions, each offering an in-depth look at daily life from an unforgettably authentic perspective. Visit the Klein

Market Hall where you'll sample Frankfurt's beloved apple cider as you take in the colorful scene. You will also uncover Amsterdam's most charming and little-known treasures with a visit to two very different historic residences, the Begijnhof and Museum Van Loon.

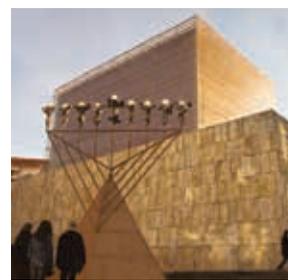

For something completely different, choose from an array of active adventures onshore. This itinerary features more "Go Active" excursions than any other. Put on your favorite bike shorts for an expertly guided bike ride through Strasbourg's picturesque Petit France district. Or lace up your walking shoes for a discovery tour of the exclusive Doktorenhof vinegar estate in Speyer, Germany.

Along the way, indulge in all of Central Europe's delicious cuisine, such as Dutch cheese and fries, Alsatian chou-croute, Kölsch beer and Germany's famous white wines.

Then there is the remarkable scenery. Standing on the top deck, you will be able to

CELEBRITY CRUISES — GET THE ‘CELEBRITY’ EXPERIENCE AT THE BRITISH OPEN

Since 1860, people from around the world have gathered in the United Kingdom to celebrate the pure skill and athleticism of golfers at the Open Championship. For years it was held at Prestwick Golf Club in Ayrshire, Scotland, but in July of 2018 golfers will compete at Carnoustie for the 147th Open Championship. Carnoustie is known for being one of the most difficult golf courses in the world, as it's situated on the exposed Eastern Scotland coast. It's difficult to grab a spot at this incredibly popular yearly event; however, **CELEBRITY CRUISES** is ready to take you there on a 12-night roundtrip cruise from Amsterdam aboard *Celebrity Eclipse*.

THE BRITISH OPEN

Up until 1870, golfers used to play for "The Belt" until it was won by Tom Morris Jr. three consecutive times and it therefore became his property. Now 156 competitors will play 36 holes of stroke play for the famous "Claret Jug" to be named the champion. You'll be able to see the winner for yourself with two great package options that Celebrity Cruises offers when you dock in Edinburgh, Scotland – standard and VIP. Whichever package you

choose, you're guaranteed to have a once-in-a-lifetime experience.

With the standard package, you'll get to cheer on some of the world's best golfers from around the world in either unreserved grandstand seats or by finding the best spot on the 18-hole green for first-come, first-served seats. You'll get to take in all of the excitement throughout the day as you observe the players and get to mingle with other fans. Be sure to stop for British fare snacks at the catering facilities and take home a British Open memento at one of the merchandising tents.

The *Celebrity Eclipse* Was Ranked Among the Top 20 Cruise Ships in the *Conde Nast Traveler* 2014 Reader's Poll.

For a more premier and all-inclusive experience, a VIP package is available. Sit back and relax in the prestigious Champions Club located near the first and final 18th hole, where you'll be front and center for the winner to be Crowned. You'll be luxuriously watching the Championship in a private garden with outdoor LED screens so you can see all of the excitement throughout the day. As you take in the game, you can enjoy wine, beer, tea, coffee or soft drinks with pastries,

British bistro treats and desserts. If you feel like being closer to the action, you can also stroll along the course and see the game from the public grandstands.

EXCITING DESTINATIONS

On this British Isles adventure, you'll not only stop in Edinburgh, Scotland for the opportunity to experience the British Open, but you'll sail to other fantastic ports, including Bruges, Belgium; Cork, Ireland; Waterford, Ireland; Dublin, Ireland; Liverpool, England; Dover, England; and return to your original port of Amsterdam, Holland.

Bruges, which is known as the chocolate capital of Belgium, is the perfect place to experience a delectable treat. Go into a chocolatier shop to learn how Belgian chocolate is made, followed by a stroll through Market Square. While touring in Ireland, stop in Cork to walk the same path Titanic passengers took before boarding the ship on April 10, 1912; visit Kilkenny Castle before touring the Waterford Crystal Showroom in Waterford; in Dublin, go on a tour around the city's most historic sites, like the National History Museum, St. Stephen's Green, and down Dawson Street before having a pint of Guinness in a pub; explore Liverpool, the hometown of The Beatles, where you can walk down Penny Lane and see Strawberry Fields; go back to Medieval times as you tour Leeds Castle in Dover; and when you return to Amsterdam, visit the "Secret Annex" where Anne Frank lived during World War II.

THE SHIP

The *Celebrity Eclipse* Was Ranked Among the Top 20 Cruise Ships in the *Conde Nast Traveler* 2014 Reader's Poll. This modern luxury ship will take you around the British Isles in style – with contemporary décor, 10 restaurants, 11 bars, Canyon Ranch SpaClub, fitness centers, health and wellness programs, swimming pools and extravagant accommodations, you'll find it almost difficult to step onshore.

There's no better way to experience the British Open and the British Isles than with Celebrity Cruises. See our Celebrity Cruises representative, Matt, at Cruise Expo to find out more!

With stay options from three to seven days you'll be able to explore the Inside Passage, the Yukon, Denali National Park (a highlight of every Land+Sea Journey) or stops at Dawson City. This

is the perfect option to view once-in-a-lifetime scenery, wildlife, culture and history.

Everything you do on your trip can be personalized to what you want to see and do. While off the cruise ship you can sail on a separate boat to watch whales breach the ocean surface, fish for delectable

salmon, watch bald eagles fly overhead, or soar over the icy landscapes in a helicopter. If you feel like being more active on your journey, go on an exhilarating dogsled ride or even hike snow-capped mountains.

Senior Vice-President of Brentwood Travel Stacey Acree explored Alaska in 2017 with her family and fell in love. "Alaska for our family meant high adventure. We went salmon fishing in Skagway, with stunning bald eagles flying above, helicoptered to the top of a glacier where we got to ride in a trail sled with the Iditarod dogs and drink glacier water, hiked White Pass Mountain in Skagway, and zip-lined in Skagway with gorgeous scenery. My husband, teen boys and myself had a thrill of a lifetime."

THE BEST WAY TO SEE THE CARIBBEAN IS WITH ROYAL CARIBBEAN

No one does the Caribbean quite like **ROYAL CARIBBEAN!** Mega-sized ships, Broadway and world-class entertainment, ice skating rinks, the Flow Rider (a surf simulator), waterparks, fine dining, and even more incredible amenities that will make your family vacation one to remember. Royal Caribbean sails all around the world, but let's focus specifically on the Eastern and Western Caribbean destinations.

Both the new *Symphony of the Seas* (debuting later in 2018) and *Allure of the Seas* are ready to impress on an eight-day sailing to St. Kitts, St. Thomas and Nassau, Bahamas in the Eastern Caribbean. When you arrive in St. Kitts you'll be surrounded by some of the most beautiful scenery in the Caribbean, including the unique black and grey sand beach and the lush trees of the rainforest.

St. Thomas is known as the "duty-free shopping capital of the world." Here you can enjoy a day of shopping or go on an exciting

Kon Tiki party boat with tropical drinks on a glass-bottomed boat. A trip to Nassau, Bahamas isn't complete without a visit to the Atlantis resort, where you can swim with dolphins in a cove or go on a thrilling ride down their waterslides.

Oasis of the Seas has a fantastic seven-day

Eastern Caribbean cruise that will take you to other exciting destinations, too! In St. Maarten, go on a yacht race worthy of the America's Cup regatta, tour the Casa Bacardi Distillery, enjoy delectable rum tastings in Puerto Rico or Haiti, or lounge on the beach in a private bungalow.

Spend seven days aboard *Liberty of the Seas* as you explore the other side of the Gulf of Mexico – the Western Caribbean. Get your adrenaline pumping with a game of lazer tag in the jungle of Cozumel, Mexico, go on an adventurous shipwreck snuba dive (a combination

of snorkeling and scuba diving) in Grand Cayman, and while in Jamaica do something truly unique as you "pay it forward" with the

Open Heart Charitable Mission in Montego Bay.

Travis, our Royal Caribbean representative, can't wait to tell you more about Caribbean cruising at Cruise Expo – stop by and say "Hi"!

EXPERIENCE EUROPE THE VIKING RIVER CRUISE WAY

VIKING RIVER CRUISES is the “thinking” person’s way to travel, with well-designed itineraries throughout Europe. Viking River Cruises believes that travel is about exploring, learning and understanding. Let the world’s leading river cruise take you beyond the ordinary with intimate and inclusive journeys exploring the food, culture, people and customs of many European destinations.

CRUISING EUROPE THE VIKING WAY

A journey into the heart of Europe by river means going beyond the reach of roadways and discovering the true nature of fascinating people and cultures. Travel with ease and unpack just once while enjoying the ever-changing scenery along the way to your next destination. River cruises range from 8 to 23 days, with itineraries featuring Europe’s Rhine, Main, Danube, Seine, Rhône, Moselle, Elbe, Dordogne, Garonne and Gironde rivers.

One of the top cruises for Viking is a 10-day trip along the Douro River in Portugal. The terraced landscapes are planted with vineyards and the region is a haven for wildlife. Bird watchers will love the opportunity to spot golden eagles, black storks, griffons and Egyptian vultures. On land, Iberian wolves roam, and at night look out for bats swooping across the sky.

Another top European destination you should experience the Viking way is the Ardeche during an eight-day Provence cruise. The region is wildly beautiful with rugged mountains, dramatic gorges, deep valleys, and cascading waterfalls. You may also want to add more to your trip with three nights on the French Riviera to relax on the famous beaches or visit legendary Monaco.

DISCOVER YOUR DESTINATION

The included and optional shore excursions cover many cultural and historical highlights. You may want to consider a Working World experience such as a visit to the Kinderdijk windmills near Amsterdam. Or, make new friends with a visit to a traditional home available through a Local Life experience in Germany. And for something exceptional, do not miss a Privileged Access experience for entrances to museums, private collections and after-hours events.

Viking River Cruises also bring insights and opportunities onboard through their enrichment programs. The Cultural Curriculum programs bring local history to life with lectures on history and art, tasting of vintage wines from your destinations, restaurant menus inspired by local cuisine, and Destination Performances featuring folkloric shows and musicians playing regional music.

And there is plenty of opportunity to personalize your trip. Is an appointment at the best spa in Prague on your ultimate travel to-do list? Or what about dinner at one of Lyon’s Michelin-star restaurants? The onboard Viking Concierge is there to assist you with all your special requests.

THE VIKING DIFFERENCE

You will cruise on an intimate scale and with a personal touch. Viking Longships have set the standard for river cruising. Imagine the amenities of a boutique hotel combined with the convenience of being transported comfortably to the best destinations in Europe.

Decor and ambience help create the mood for any trip. Clean lines, muted colors and understated Scandinavian design define Viking River ships. Quiet alcoves as well as large public areas are designed to facilitate a sense of relaxation and elegance.

Viking offers more stateroom variety than other ships. Whichever stateroom you choose, your hotel-style bed topped with luxurious linens is the perfect place to turn in after a full day of exploring Europe’s great towns and cities. And you’ll feel pampered by bathrooms equipped with heated floors and premium bath products.

COUNTLESS REASONS TO CHOOSE VIKING RIVER CRUISES

Viking River Cruises provides everything you need to experience the best of Europe at a great value. Each trip includes a river-view stateroom and all meals on board, including wine, beer and soft drinks with lunch and dinner service. Port charges, Wi-Fi, lectures, activities, and guided shore excursions in each port are also great benefits you will enjoy on a Viking cruise. And they are all included in the cost of your cruise, with no hidden fees.

THE CARIBBEAN IS BACK WITH PRINCESS CRUISES!

PRINCESS CRUISES is bringing back their Caribbean itineraries and they can't wait to welcome your family aboard! With itineraries that cruise to the Eastern, Western and Southern Caribbean, you'll be sailing in style. One of the most unique features of the Caribbean cruises is the *Ocean Medallion*, a new form of technology to the travel industry.

The Ocean Medallion is a wearable pendant or bracelet that becomes your room key, form of payment, allows you to order food and beverages at any part of the ship, locate friends and family while onboard, and it will even expedite the embarkation process. This technology will be available on Caribbean cruises with *Regal Princess*, *Royal Princess*, *Crown Princess* and *Caribbean Princess* throughout 2018, which is one more high-tech feature to make your vacation as relaxing as possible.

Now that Princess will take you to the Caribbean, which destination will you choose? In the Eastern Caribbean, visit destinations like the Dominican Republic, the Bahamas, Antigua, the U.S. Virgin Islands, Turks and

Caicos, and more. See volcano peaks, walk through the rainforest, or go horseback riding on the beach at multiple destinations.

The Western Caribbean destinations of Mexico, Jamaica, Grand Cayman, Honduras and Belize (among others) are full of adventuresome excursions for the whole family. Explore the Mayan ruins while in Mexico, discover Belize's spectacular coral reef that's a UNESCO World Heritage Site, or even go on an exhilarating zip-lining ride through the jungle.

Aruba, Bonaire, Curaçao and Grenada are some of the countries that await you in the Southern Caribbean. This is another region that's well-known for adventure; you can swim in waterfalls, snorkel in Dominica, and visit Aruba's Arikok National Park, which is filled with twisted divi-divi trees.

But wait, we're not done yet! On most Caribbean itineraries, you'll be swept away to Princess Cruises' private island, Princess Cays. Located on the island of Eleuthera in the Bahamas, feel free to just lay in a chair

AN AMAWATERWAYS RIVER CRUISE WILL TAKE YOU FARTHER

AMAWATERWAYS is about your cruise, your way. This premier river cruise line provides guests with “luxury of more.” More views, more dining, more service, and more included tours.

Most of the staterooms on an AmaWaterways ship have not just one, but two private balconies – a French balcony and a full outside balcony. Together they provide a unique panoramic view of the beautiful sights along your river cruise voyage.

All onboard dining, as well as unlimited wine and beer with lunch and dinner, is included; so you can indulge whenever you like. For something unique, try The Chef’s Table where you can watch the chef prepare a lavish dinner with new selections each night.

A personalized approach dedicated to the highest level of service is a hallmark of the AmaWaterways experience. Their commitment to carrying fewer guests (at most 164) allows for one staff member to be available for every three guests.

AmaWaterways has developed a menu of

shore excursions for every port of call. In many destinations, you’ll be free to choose from one of several options and all are included in your cruise fare. First time in Vienna? Explore the major sights led by a local guide that is well-versed in history and culture. Have you already been to Nuremberg? Instead of taking the city tour, indulge in a bratwurst and beer tasting on one of their Special Interest Tours. The choice is yours! AmaWaterways also provides easy access to sharing your journey

with friends and family back home. Onboard ship Internet access and Wi-Fi are available for free! Your stateroom also has a computer for your use at any time.

A variety of itineraries include journeys to see the best of Europe, Asia and Africa. Want to delve deep into the flavors of your destination? Consider an enhanced wine river cruise, which includes a specialty host and a menu of
